

# What is a Fire Fighter

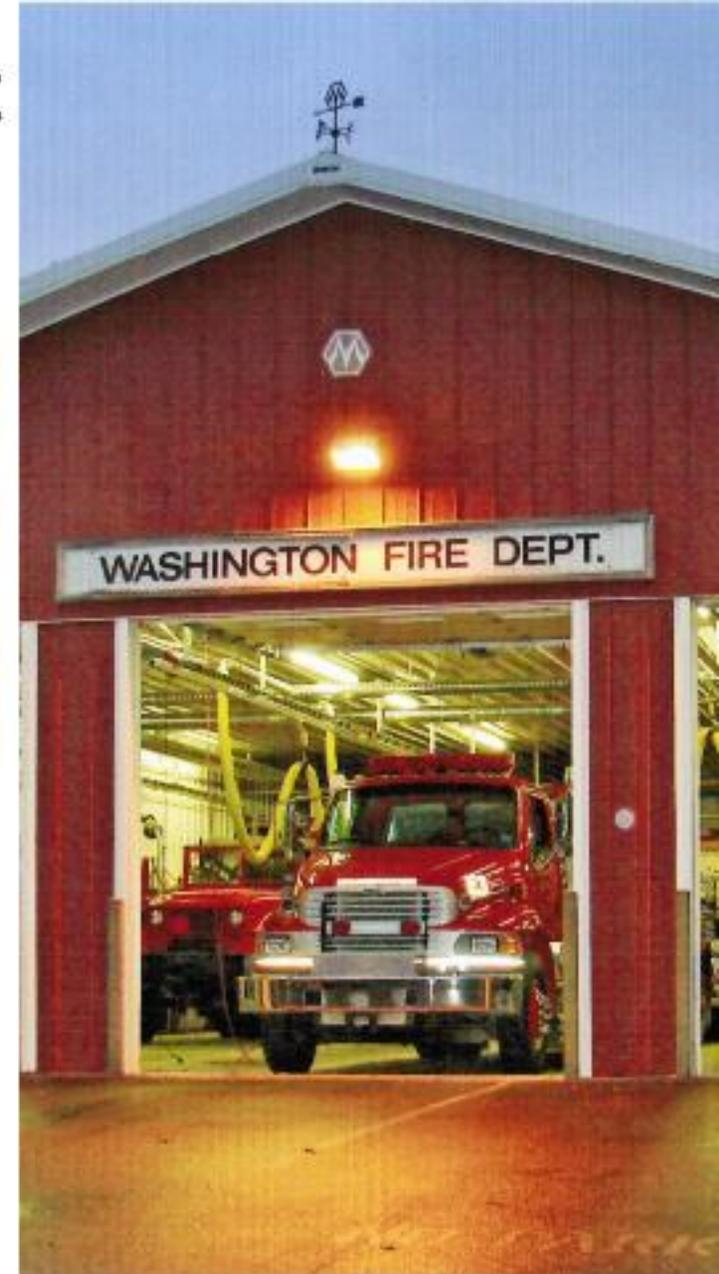

Everyone thinks you need to fight fire to be a fire fighter. We have many jobs available for all to do.

Can you help out in any of these ways, traffic control, installing smoke detectors, operating a pump or drive a truck?

# Yes, We fight FIRE too

Help Wanted

# Help Wanted Washington Fire Department

Dear Neighbor

We are in tough times. In these days of events around the world we find ourselves with out the help we need to do the jobs requested of us.

We are asking for your help. Being an effective emergency service responder involves dedication and training. Our members have been helping you and all residents and visitors to the Town of Washington since 1950.

Now we find ourselves in very tough times, of not having enough members to provide the Town, citizens and visitors with the level of protection they deserve. We find ourselves asking for help form other towns to be able to provide these services.

We are asking you to come out and help us help the Town, citizens and visitors to Washington. If you have the time to donate, we are seeking you. We are a 100% volunteer entity to the town, we do this for the love of our town and the relationships we grow. If you ever wanted to do something to help, please come on out and meet with us.

Thnak you  
Washington Fire Dept. Members

## Some of the things We Do

## Cold Water Rescue

## Rope Rescue

## Vehicle Extrication

# You Can Help

Come join us any Monday night. The members are at the Fire Station most Monday nights from 7pm - 8:30.

We hold monthly Meetings on the 2nd Monday of each month, and trainings on the 4th Monday. We welcome all to come and meet with us and find out what YOU can do to help us.
