

Appeal Board Meeting  
May 11, 2017

Members present: Dorothy Sainio, Lowell Freiman, Bob Temple, Cathy Blake, James Kearney, Norman Casas (7:16), Bob deGroff, Traci Hoffman

Lowell Freiman called the meeting to order with roll call at 7:07PM.

Dorothy Sainio moved to accept the 03/09/17 summary as written, Cathy Blake seconded, all in favor.

Lowell Freiman welcomed the two new Alternate Board Members, Bob deGroff and Traci Hoffman.

Old Business

Dorothy Sainio asked if they sent the appeal back to the Planning Board. Bob Temple stated the engineer called to ask him how to get back on the Planning Board Agenda. Bob explained, to him, that they need to address all the things in the order that the Appeals Board did. Bob spoke with Peter Drum and told the engineer that he had to submit enough information to address each and every one of the findings that the Appeals Board made. The Planning Board talked about it on Tuesday but we have not heard anything back. The definition of a road condition survey is 'all over the place'; DOT has different levels of road condition survey's. Basically, they need to submit enough information to show compliance with this. Bob does not know if it will come back to the Planning Board or not. Bob summarized the meeting held Tuesday night with the Planning Board, Selectmen, Peter Drum and Mining Ordinance Committee.

New Business

Lowell Freiman asked for elections of officers. Dorothy Sainio moved to have the same officers as last year Lowell Freiman for Chairman and James Kearney as Vice-Chairman/Secretary, Norman Casas seconded, all in favor.

Dorothy Sainio moved to adjourn the meeting at 7:20pm.

Respectfully submitted,

Mary Anderson
