## Questions and Comments:

- MM Employee Health Trust:  
Motion by: Tom Johnston to sign  
2<sup>nd</sup> by: Berkley Linscott

- Washington Fire Chief, Phil Meunier was present to follow up on a discussion he had with Frank in reference to the Road Crew joining the Fire Department. A suggestion is to have them respond to calls unless doing something critical for the town. They would have the option of taking the required training courses and becoming certified. Fire Police duties would also be helpful.  
Discussion: Wes brought up the conflict between paid positions for the town versus volunteer position for the fire department. Tom feels as infrequent as it is going to happen, there should be a written policy. Frank feels the same, as there are few emergencies during the day. Tom mentioned a blanket policy. Don Grinnell suggested checking with the town of Warren and their policies.
- Auto Graveyard Application:  
Wes stated that the applications will be mailed tomorrow and are due back on 9/6 with fee. The inspections will be 9/11.  
Motion by: Wes Daniel to sign auto graveyard inspection letter
