## WASHINGTON, MAINE

For the Year Ended December 31, 2011

*Lincoln County Publishing Co.*  
Newcastle / Damariscotta, Me.

## Dedication

### Edward A. Ludwig

Edward A. Ludwig (“Eddie” or “Ed” to most) was a vital part of the fabric of Washington for many years, as postmaster and proprietor of F.L. Ludwig & Son’s General Store. Ed’s father, Frederick (“Fred”), opened the store in 1917; Ed first worked with his father, then became the sole owner and ran both store and post office, with the help of his wife, Marjorie, his three children, and Archie Lenfest, until 1973. Fred’s and Ed’s combined terms as postmaster spanned 69 years. The post office was located in a corner of the general store, and town residents could pick up a pound of nails along with their mail. F.L. Ludwig and Son’s carried a full line of fresh and canned groceries, dry goods, hardware, farming supplies, and bottled soda pop (Coca-Cola, Orange Crush, root beer, grape pop, ginger beer, Moxie) chilled in a deep cooler filled with ice. Also for sale were clothing, records, footwear, gasoline, kerosene, salt pork, tripe, and seasonal items, such as Morse’s sauerkraut. In winter, Ed displayed plaid woolen shirts, buckled

snow boots, and red flannel longjohns. In spring, there were lawn rakes and garden hoes for sale, along with vegetable and flower seedlings. There was always an excellent selection of penny candy in the huge oak glass case next to the cash register. Customers enjoyed challenging Ed to cut exact portions of strong, smelly, tasty “rat trap cheese” from the large wheel that he kept unrefrigerated, under a glass dome. To this day, the cement platform that served as front porch and seating area still has the metal rings used to secure horses and carriages while their owners shopped, next to the cement island where red “Flying A” tanks dispensed gasoline. Ed carried on his father’s tradition of providing interest-free credit to customers, and he would cash checks long before the existence of ATM machines. In fact, his cash register ran without electricity, which allowed the store to stay open and operate by the light of candles and kerosene lanterns during power outages (which were frequent “back in the day”). For more than 60 years, the store was open seven days a week, 365 days a year. It was a social hub and wellspring of hilarious stories, both true and greatly exaggerated.

Despite the hours spent tending the store and serving as postmaster, Ed found time to tend his extensive vegetable garden each summer (and compete with neighbors to grow the largest or tastiest pumpkin, asparagus, corn, and strawberries), plow driveways and gardens (during early years, riding his cabless John Deere tractor) and deliver groceries to residents who were unable to leave their homes. He was respected as a fair-minded business man who sought and found positive attributes in everyone he knew.

Family was very important to Ed. Together with Marjorie, to whom he was married for 66 years, he managed to teach many valuable life lessons to his children - with gentleness, humor, and a profound grasp of human psychology. He and Marjorie spent special afternoons canoeing and boating on Washington Pond with their children during the summer, and snowmobiling through backwoods trails in the winter.

In addition to working hard, spending time with family, and helping others, Ed participated in many community activities and groups. He was a lifetime member of the Grange, which provided an important social center for Washington throughout the early 1900’s. Many entertainers who performed in the old Grange Hall signed the wooden wall backstage; he was one of them. He and a few friends started a local barbershop chorus, and represented Washington well in many regional competitions. Ed was a founding member of the Washington Volunteer Fire Department and the Washington Hill & Gully Riders, and a member of The Liars’ Club. He was also very active in Mt. Olivet Masonic Lodge, where he still has many friends.

## **In Memoriam**

### **Frances A. Schroyer**

### **1918-2011**

Frances A Schroyer, a longtime resident of Washington, was born August 28, 1918 in Washington, the daughter of Merle B. and Georgia Hoak Marr, and attended Washington Schools. In the early 1940's she moved to Connecticut, where she worked as a nurse. In 1946, she returned to Washington, and in the mid-1950's began working at the Augusta Mental Health Institute, AMHI, from which she retired after many years of employment as a nurse.

Frances was a member of the Washington Baptist Church, member of the Fon Du Lac Chapter, Order of the Eastern Star, before it disbanded, and then a member of Lakeview Chapter 179, Order of the Eastern Star, in Jefferson. She was predeceased by her husband, Charles Schroyer, in 1985 and her son, Larry Cooley, in 2010. Survivors include her niece, Nancy Linscott, and her husband, Berkley, nephew Charles Vanner and his wife, Elizabeth, grand-niece Olivia and grand-nephew Merle, all of Washington.

Many Washington organizations benefited from Frances' estate, including Gibbs Library and the Washington Fire Department. As a result of her generous gift, the library was able to install much needed new carpeting and the Fire Department used a portion towards the purchase of the new tanker truck. In addition, her estate donated a parcel of land to the Town to expand the Marr Cemetery. Her gift included excavation work, marking lots, installing a fence and grassing in the additional area.

## Selectmen's Report, Discussion, and Analysis

To the Citizens of Washington;

It is our pleasure to present you with the Annual Town Report for the year ending December 31, 2011. What a year it was as the Town celebrated its 200<sup>th</sup> anniversary. This historic occasion had numerous events sponsored by local organizations. It began in February with a history of local churches by the Village Church. In May there was a Civil War reenactment group sponsored by the VFW and Mt. Olivet Masonic Lodge. The Washington Historical Society sponsored a scavenger hunt in June. Throughout the year there were also public suppers and many activities hosted by the Gibbs Library and other organizations and businesses – all with a bicentennial theme.

The premier event was the day-long celebration which occurred on August 6<sup>th</sup>. After two years of detailed planning by a small cadre of dedicated volunteers, Washington celebrated its bicentennial with a full day of events. In actuality, it began a decade ago, when our board of selectmen had the foresight to ask the voters to set aside money each year for this much anticipated celebration.

The day arrived, sunny, and warm with clear skies and was packed from morning till night beginning with a 5k road race and culminating in a spectacular display of fireworks. The day's events included a parade, an appearance by U.S. Representative Chellie Pingree, delicious food served by local vendors, musical entertainment, speeches, historical demonstrations, souvenirs, a dance, and a children's carnival.

The dedicated committee of volunteers meticulously planned, prepared, and orchestrated this memorable day. Special thanks go to Holly and George Stone for the use of their Medomak Camp grounds and barn which enabled residents and visitors from near and far to come together in one area for this celebratory day. Additionally, we would be remiss if we didn't thank the many individuals and businesses who made monetary or other contributions to make the day successful. There are too many to list, but we can say that without their support the day would not have been as exciting as it was. When all accounting for the bicentennial was completed, a little over \$1200 was left which was turned back into the general fund by the committee.

Although at times it seemed as if the bicentennial planning would

consume most of our time, the day-to-day activities of the Town carried on with the assistance of our staff in the town office and the road maintenance crew. As always, Ann and Denise served professionally behind the counter in the office. They have now implemented procedures which allow everyone to complete many routine transactions online, such as purchasing hunting and fishing licenses, registering your boat or reregistering your vehicle, and licensing your dog. In 2012 we will offer even more services at the counter, including the ability to pay with a credit card.

Frank, Jonathan, and Kevin, along with other on-call employees, kept the roads plowed and sanded. With URIP Capital Improvement funds they also rebuilt the southern end of Hopkins Road and reconstructed a corner on Vanner Road adjacent to the Jackson residence. The crew continues to work efficiently, thus keeping the costs down. We thank the Roads Committee for their recommendations and especially thank Merton Moore, former Road Commissioner, for his advice and assistance.

Three major debts were paid off in 2011. First, the Komatsu bucket loader debt which was on a 72-month lease/purchase agreement that ended with our last payment in June. We now own the loader. Second, Engine 3, the frontline pumper of the Washington Fire Department has been paid off and the loan retired. Third, the cost of the Village Park underground gasoline tank removal project has now been paid in full to the Maine Department of Environmental Protection.

At the 2011 annual town meeting, voters authorized the selectmen to procure loans for the purchase of two major pieces of used equipment - a used plow truck, wing, and sander and a replacement fire department tank truck. Finding used equipment that met our standards and that stayed within the budget allocated proved to be a difficult task. Finally, K&T Fire Equipment from Island Falls found a 2002 used cab and chassis that met National Fire Apparatus standards. The company then installed a 3,000 gallon poly tank and a PTO driven pump. This piece of equipment replaces an old 2,200 gallon fuel oil truck which was overloaded and soon will be uninsurable. The new tanker was delivered just before the end of the year and is now in service. The price of the truck was \$104,000, with \$90,000 obtained with a 5-year loan authorized at the 2011 town meeting. The remainder of the purchase money came from a portion of a donation to the fire department from the Frances Schroyer estate.

A good used plow truck was just as difficult to find. We were hoping to find a truck approximately five years old for about \$50,000. After looking all summer, we determined that a five year old truck was going to be out of our price range. Finally in the fall, we found a 2002 Sterling in good condition

at a reasonable price. The truck was purchased at a cost of \$41,000 with a 3-year loan. After minor repairs done by the road maintenance crew, it was placed in service in December. It replaces a 1992 truck, which has been retained as a back-up vehicle to be used during breakdowns of the primary plow trucks.

As we began to formulate our 2012 proposed budget we established a goal for this year of having no increase in the 2012 tax commitment including all three components of assessment – municipal, Knox County, and MSAD 40. Although the school assessment will not be known until June, we believe we have built in enough cost avoidance in 2012 appropriations to offset an anticipated increase in the school assessment.

You will note that the total 2012 appropriations for municipal and county appropriations are down \$22,576 (a 2.77% decrease) from 2011 appropriations. You will also see that we are projecting an increase of \$46,500 (a 14.86% increase) to be applied to reducing property tax commitment for 2012. Due to an administrative error during the change-over to a new tax collector in 2009, the 2008 property taxes were not properly liened and could not be collected. When the 2009 taxes were liened, delinquent taxpayers were required to pay the overdue 2008 taxes as well as the 2009 taxes. This resulted in a one-time “windfall” of over \$40,000 in 2008 property taxes that were collected in 2011. We recommend this \$40,000 be applied to reduce the 2012 property tax commitment along with the \$21,000 unexpended from the 2011 appropriations. When the reduced 2012 appropriations are coupled with the increased application of funds reducing tax commitment, the municipal and county tax commitment for 2012 is \$51,808 less than the 2011 tax commitment (a 10.70% decrease).

While we anticipate no increase in tax commitment for 2012 we are concerned that some of the appropriation lines are underfunded or not funded at all. The major concern is the condition of the Town’s paved roads. We have 19.6 miles of paved roads which should be resurfaced about every 10 years, or two miles each year. For the past several years we have appropriated \$30,000 for paving in the Road Maintenance account and approximately the same amount from the URIP Capital Improvement account. In 2011 we also added approximately \$17,000 carried over from 2010 the URIP Capital Improvement account. Together those funds bought approximately one mile of paving. So, as you can see we are falling farther and farther behind every year in resurfacing our roads. To start a long term paving program that will address this issue, the Town will have to double its paving appropriations to approximately \$150,000 per year beginning in 2013. In the meantime we are seeking alternative and less costly methods of resurfacing paved roads

and may contract an experimental program in 2012.

The second issue is truck replacement accounts for both Road Maintenance and Fire Department. Since the Town purchased a used plow truck and a refurbished fire tanker in 2011, we made a conscious decision to omit truck replacement appropriations in 2012 in order to not raise taxes for one year. However, all equipment must eventually be replaced, and we recommend appropriating funds to both truck replacement accounts in 2013.

We thought an analysis of several key areas from the past three years would be informative as an indication of how we are doing during these difficult economic times.

	<u>2011</u>	<u>2010</u>	<u>2009</u>
Mil rate	0.01255	0.0123	0.01375
Commitment	\$1,613,111	\$1,571,252	\$1,589,634
Outstanding taxes	\$229,110	\$225,977	\$238,015
% Collected in first year	85.8	85.7	85.0
Tax liens outstanding	\$98,367	\$85,038	\$22,023
End of year surplus	\$584,960	\$548,087	\$585,074
Collections:			
State Revenue Sharing	\$72,427	\$69,533	\$87,396
Excise tax – Auto	\$203,647	\$200,567	\$206,957
Excise tax – Boat	\$1,575	\$1,813	\$2,121
Interest income	\$2,755	\$3,211	\$6,059
Interest on taxes	\$33,300	\$19,016	\$14,969

Once again, we are pleased to present our analysis and discussion on the Town. It has been our pleasure to serve you as the Town's elected officers in 2011. Should you have any concerns or issues, please feel free to contact us by phone at 845-2897, or email us at [washington.selectmen@gmail.com](mailto:washington.selectmen@gmail.com). You are also encouraged to attend our weekly meetings held in the Bryant Room of the Gibbs Library every Wednesday at 7:00 pm. To keep abreast of what is happening in the Town visit our website at

## Town Clerk's Report

### 2011 Licenses Sold 01/01/2011– 12/31/2011

#### Dog Licenses Sold

Kennels	4
Males/Females	60
Neutered/Spayed	241

All dogs 6 months and older must have a license. If you become the owner of a dog 6 months or older, the dog must be licensed by January of each year. In order to obtain a license for your dog, the owner must present a current State of Maine Rabies Certificate obtained from a veterinarian. All dog licenses expire December 31 of each year. Renewal of licenses for the following year can be done at the Town Office beginning October 15th of each calendar year.

Also, bring with you proof if a veterinarian has issued a written certificate stating the dog(s) is incapable of producing young by spaying or neutering. If you have already shown proof of current rabies or spay/neuter then additional proof is not necessary. New this year, you may register your dog online from a link off the Town's website: [Washington.Maine.Gov](http://Washington.Maine.Gov)

#### Dog License Fees:

- \$6.00 per year for spayed/neutered dogs
- \$11.00 per year for dogs not spayed/neutered

Per state law, any dog license that is re-licensed after January 31 will be subject to a \$25.00 late fee plus regular licensing fee. Postcard reminders were mailed in early December and we followed up with a January friendly reminder phone call. As a result, only one dog owner paid the late fee in 2011.

#### Fishing and Hunting Licenses Sold

Junior Hunting	9	Apprentice Hunting	1
Fish/Hunt Combo	31	Migratory Waterfowl	1
Hunting	40	Pheasant Hunting Permit	1
Resident Fish	50	Archery	5
1- Day Fish	1	Archery Combo	1
Non- Resident Fish	4	Expanded Archery	2

## 2011 Assessors' Report

The 2011 mill rate is 0.01255 on a valuation of:	\$128,534,795.00
The 2011 taxable valuation is	
0.62% higher than 2010's of:	\$127,744,108.00
The 2011 county tax is	\$158,957.00
The 2011 county tax is 2.66% higher than 2010's of:	\$154,831.00
The 2011 municipal appropriation is	\$637,876.00
The 2011 municipal appropriation is	
1.27% higher than 2010's of:	\$629,866.00
The 2011 school appropriation is	\$1,185,144.73
The 2011 school appropriation is	
1.89% higher than 2010's of:	\$1,163,202.00
The 2011 total appropriation is	\$1,981,977.73
The 2011 total appropriation is 1.75% higher than 2010's of:	\$1,947,899.00
The 2011 homestead reimbursement is	\$32,128.00
The 2011 homestead amount is 6.32% higher than 2010's of:	\$30,219.00
The 2011 tax commitment is	\$1,613,111.68
The 2011 tax commitment is 2.66% higher than 2010's of:	\$1,571,252.53
The 2011 need was reduced by revenue sharing,	
excise tax, etc. by	\$312,000.00
The 2011 reduction is -4.17% lower than 2010's of:	\$325,000.00

**HOMESTEAD EXEMPTION:** There were 512 homeowners granted homestead exemptions in 2011, an increase of 19 over 2010. To qualify for this exemption, you must be a legal resident of Maine, must have owned homestead property in Maine for at least 12 months and declare your homestead as your permanent residence. There is no penalty involved if your exemption status changes. If you have not taken advantage of this program and think you qualify, please contact the town office for an application before April 1.

**HIGHLIGHTS:** The natural gas pipeline added over \$4.4 million to the Town's value and contributed over \$55,000 in taxes.

The Lane hot-top plant is valued more than \$3.6 million and should generate more than \$45,000 but the State's Business Equipment Tax Exemption (BETE) program allows an exemption that requires the State to pay the taxes, which they did at a reduced rate of 70% which resulted in a loss of revenue of more than \$13,000.

School spending accounted for 60 cents of each tax dollar. 8 cents went to county tax and the remaining 32 cents went to manage the rest of the Town's affairs for the year.

**WEBSITE:** Tree growth, farmland and open space exemptions for land may be of interests as well as exemptions for veterans. Information and applications for these programs and more can be found from links on the Town's website: <http://washington.maine.gov/>

## Registrar of Voters Report

There are 1176 registered voters in the Town of Washington. Any resident 18 years or older may vote in any election as long as they are on the voter list as a registered voter. There were 481 voters that exercised their right to vote at the November 8, 2011 Referendum Election.

There were a few changes to voting in Maine in 2011. Maine voters voted to revert back to allowing voters to register on Election Day. Remember, to do this, you need identification (It MUST be a Maine Driver's License if you have one) and proof of residence such as a vehicle registration, paycheck, or a bill addressed to your address. The Maine Election Laws also changed so that municipalities with a population greater than 500 are now required to keep polls open from 8 AM until 8 PM on voting day.

A deadline was also set up for requesting Absentee Ballots. A voter may request an absentee ballot up until closing time of the Thursday before an election on Tuesday. The only time an exception is made is when there has been a serious, unexpected illness that would prevent the voter from voting at the polls. A new party called the Americans Elect Party was formed this year after sufficient signatures were signed on petitions circulated around the state. They are now qualified to participate in the June 12, 2012 Primary Elections.

The Registrar of Voters and the Deputy Registrar attended the 2011 Elections Conference in Bangor. They both also attended classes on using the Central Voter Registration system and Elections procedures at separate classes in Augusta and Portland.

We would like to thank all of the people who keep the democratic process alive and well in Washington by serving as ballot clerks, wardens and moderators.

Respectfully submitted,  
ANN DEAN  
Registrar

## Washington Planning Board

The Planning Board met eight times during 2011. They elected the same slate of officers as in 2010. Frank Jones Jr., who resigned as an alternate member, was replaced by Jud Buttermann.

The Board considered some interesting issues and permits this year including:

- Some ordinance regulations which they hoped to have changed at Town meeting.

- Problems created by the existing recycling Jackson junkyard on Route 17.

- An application by Pat Medeika for a building permit to replace the house which had burned on her property. Planning Board approval was required as the lot was non-conforming. The Board granted the permit, but added a note to it regarding the fact that there were two contiguous non-conforming lots which might have to be joined in the future. The Appeals Board removed the note.

- The use category for a sawmill, which they did not resolve it as they felt the Appeals Board had to determine what to label the process before a permit could be granted. Eventually, it was ruled a home occupation, by the Appeals board.

- A pre-application by Tim Jackson for a new recycling facility/junkyard to be located on a site on Route 17 opposite the Country Cupboard. This is the first project to use the new site planning process in the Land Use Ordinance amended last year.

The Planning Board usually meets the second Tuesday of each month, unless there is no business to transact. Several times last year we met at other times to accommodate applicants. The Board appreciates the work our Code Enforcement Officer, Bob Temple, does in explaining the ordinances to applicants, and assisting the Board in our work.

Chairman: MITCH GARNETT  
Secretary/Treasurer: JIM BOWERS  
Members: HANK AHO;  
DAVE WILLIAMS; DAVE STUDER  
Alternates: RICH BOUCHARD;  
JUD BUTTERMAN

## Washington Appeals Board

The Town of Washington Board of Appeals met eight times in 2011. In addition to the Board's bimonthly meetings, they met twice more, once for the preapplication discussion of a request to remove a Planning Board note from a permit, and again for the Public Hearing at which the Board voted to remove the note. The only other business was to consider a request to locate a sawmill on a property in the Farm and Forest district. The Board granted the request because, in this case, the sawmill was identified as a home occupation. The Board elected the same slate of officers as in the previous year. They welcomed Chris Vigue as a new alternate to replace Mark Durbin who resigned.

Respectfully submitted,

Chairman:

NORMAN CASAS

Secretary/Treasurer:

HENRY CHAPMAN

Members:

DOROTHY SAINIO

LOWELL FREIMAN

GEORGE CARLEZON

Alternates:

## Washington Budget Committee

Fellow Citizens of Washington:

At the 2011 annual town meeting Washington citizens elected members to the Budget Committee. In July 2011, a meeting between the Budget Committee and town officials was held to review the then current state of town finances. In January 2012, budget packages containing the proposed 2012 municipal budget, a line by line breakdown of expenses, and a recommendation on each item were provided to members of the committee. The Budget Committee met with the Selectmen on January 31, 2012 to go over the budget in detail. Selectmen Wesley Daniel, Donald L. Grinnell, and Duane Vigue were present along with Town Clerk/Tax Collector/Treasurer, Ann Dean and Assistant Town Clerk/Tax Collector/Treasurer, Denise Hylton to explain the recommendations and answer questions.

The selectmen set the tone for the proposed budget by stating that their primary goal was to present a budget which did not increase taxes; it was their feeling that taxpayers needed a break.

A review of the 2011 budget showed that expenditures were generally in line with estimated appropriations. One significant overdraft occurred in the Maintenance of Town Roads budget (which includes garage and equipment maintenance). Selectmen explained this was due primarily to increased fuel costs, greater cost of equipment repair than anticipated and unforeseen garage maintenance. Garage maintenance included the purchase and installation of two commercial dehumidifiers. Selectmen explained that the garage has a heated floor. In the winter when ice/snow covered equipment is parked inside, the ice/snow melts. The resultant moisture was causing a mold problem. The dehumidifiers were installed to address this problem.

The Budget Committee reviewed the proposed 2012 budget item by item. Any questions raised were promptly and adequately answered by town officials. The selectmen praised town employees and noted their willingness to control costs and develop cost saving measures. After the review, the Budget Committee accepted selectmen's budget recommendation.

In their recommendation to the budget committee members, selectmen pointed out that the 2012 budget is not without some pain. An example was

paving roads. The town has 19.6 miles of paved roads and the town should be paving approximately two miles of road per year to keep up with normal wear and tear. The price per mile to resurface a road is approximately \$80,000. The proposed paving budget would need to double in order to meet the goal of two miles per year. Over time this will result in an ever increasing amount of deteriorating town roads. To mitigate this problem, the selectmen are looking into paving material/technique alternatives which may reduce costs in the future.

Two other items impacting the budget are the Knox County assessment and the Maine School Administrative District 40 (MSAD40) assessment. The Knox County assessment is up by approximately \$10,000 over last year (approximately 5.7%); the MSAD40 assessment is currently unknown. As the SAD40 assessment will not be voted on until June 2012, selectmen plan to have an article in the town warrant to be voted on at the 2012 town meeting asking the townspeople to allow the use of a portion of any unexpended previous year appropriation (formerly known as “surplus”) to offset the unknown, but anticipated, increased school tax assessment.

In the continuing improvement department, the town has obtained a new tax map program which allows for updates to be entered to tax maps as they occur. These maps will be available on the town’s website. Another convenience is the town will accept credit cards (though users will have to pay the related credit card fees). In addition, residents may now register their vehicles and dogs on line (no need to face the line at the town office).

In closing, the budget committee wishes to acknowledge our town officials for their fiscal diligence. It is evident when speaking to these officials that they not only understand how to prepare a budget, but how to oversee its implementation as well. These dedicated people are a valuable asset to the Town.

Respectfully submitted,  
HANK AHO, Chairperson  
KATHY OCEAN, Secretary  
JIM BOWERS  
WENDY CARR  
MAHLON LINSKOTT  
DOROTHY SAINIO  
DAVID WILLIAMS

## Code Enforcement Officer

The Permits issued for 2011 are as follows:

- New stick built homes 6
- Modular homes 2
- Mobile homes 3
- Duplex homes 0
- Garages/sheds/barns 7
- Commercial buildings 1
- Home addition/decks 1
- Greenhouse 1
- Cabins 1
- Accessory 0
- Addition to existing home 1
- Demo 0
- Foundation under existing Home 0
- Permit renewal 0

It has been my pleasure working with the selectmen, planning board, appeals board and Washington town office staff.

Respectfully submitted,  
BOB TEMPLE  
Code Enforcement Officer

## Plumbing Report

The Plumbing Permits issued for 2011 are as follows:

- Subsurface Wastewater Permits 10
- Internal Plumbing Permits 16

It has been my pleasure working with the selectmen, planning board, appeals board and Washington town office staff.

Respectfully submitted,  
BOB TEMPLE  
Plumbing Inspector

## **Washington Community Scholarship Committee Town Report 2011**

The Washington Community Scholarship Committee is responsible for granting scholarship aid to Washington students who have lived in the Town for at least one year, and who send in the required submissions on time. Students do not receive scholarships until they have successfully completed the first semester at a post high school institution. In 2011, two outstanding students were accepted for scholarship aid. We also oversee the Jimmy E. Billings scholarship for which one student received scholarship aid.

This year Elizabeth Grinnell resigned to take other duties and we have welcomed new members, Mildred Melgard and Jan Birk. Our committee decided to resume their yearly appeal to members of the Washington and surrounding area business community as other efforts to raise money in 2010 had only modest success. Our students need financial aid more than ever in order to achieve their educational goals, and we on the committee hope that members of the community will keep our students in mind by responding generously to our present and future fund raising efforts.

The Committee members wish to thank the community for its continuing support.

Respectfully submitted,  
ALMA JONES  
BETTE PELLETIER  
JAN BIRK  
LIANE CHAPMAN  
JUDY GOOD  
MILDRED MELGARD

## Animal Control Officer's Report

To the Citizens of the Town of Washington:

First, I would like to thank Ann Dean and Denise Hylton at the town office for their hard work in a mailing campaign to notify the citizens of changes to the dog laws and licensing information. Their efforts have had great results in an increased number of dogs on our rolls. New this year, you can also license your dog online. Go to the town's website at Washington.Maine.gov and follow the instructions.

Next, I would like to ask that you spay or neuter your pets. Kittens and puppies are cute, but soon they grow into cats and dogs and add to the overpopulation problem. If you should decide to get a dog, please research your choice carefully. Some breeds of dogs are not suitable for homes with children and other animals. You could be placing your family and neighbors in jeopardy. Dog attacks bring pain and suffering, law suits, and fines.

You must keep your dogs on your property. Wandering dogs are a nuisance to your neighbors, and what may seem like play to your dog can bring death to small domestic or wild animals.

It is state law to have a suitable shelter, with plenty of water and food for your outside dog. Snow and ice are not suitable.

You need to have all domesticated animals vaccinated each year. The only exception is your dog, they get a first shot good for one year and the second shot is good for three years. A bite of unknown origin, to an unvaccinated animal, will mean a death sentence or six months in quarantine. (You are responsible for the costs.) The town was able to hold a rabies clinic on the last Saturday in October. Many thanks should go to Dr. Paula Benner of Lupine Valley Equine Veterinary Service in Washington and to the town office staff for taking care of the advertising for the clinic.

A new law has been in place for two years. When you go to your vet's for a rabies vaccination, the veterinarian is required by law to send a copy of the paper work to the town office. This is one more way I have of knowing where the unlicensed dogs are located. If I am called to your home and your dog is unlicensed, you WILL get a court summons.

If your dog bites a person, (new this year) you get a summons for keeping a dangerous dog (minimum mandatory fine of \$500.00).

As always, it is your responsibility to vaccinate your pets. You must not depend on yearly vaccination clinics. It is not always possible for the town to get a veterinarian that is available.

Most importantly, please remember that you are the voice for animals being treated cruelly or that are in danger. Please call me.

Respectfully submitted,  
CLAYTON LANPHIER  
Certified Animal Control Officer  
Pager # 851-0027

Phil Meunier, Deputy Chief  
845-2899

Emergency: Dial 911

## Washington Fire Department, Chief's Report, 2011

To the Citizens of the Town of Washington:

The Washington Fire Department responded to the following calls in 2011.

### Fires:

Building Fires:	4 in Town, 6 as mutual aid given. Fire loss in Town, \$354,000 estimated.
Other Mutual Aid Given:	2
Chimney Fires:	4
Motor Vehicle	2
Grass/Brush	1
Outside Rubbish, Waste:	2

### EMS/Rescue:

Vehicle Accidents with Injuries:	4
Extrication of Victim, Vehicle	1
Missing Person Search	1

### Hazardous Conditions:

Gasoline / Flammable Liquid Spill	1
Oil / Combustible Liquid Spill	1
Vehicle accident, general cleanup	12
Smoke / Odor Removal	1
Trees Down, Tree in Power Lines	5

### Good Intent:

Dispatched and cancelled in route	12
Investigate burning, (permitted)	2

## False Call:

Telephone, Malicious False Alarm	2
Smoke Detector Activation- malfunction	1
Alarm System Activation- malfunction	2
Responded to Total Calls	66

The total number of calls this year is well above our average level, with a high number of actual fire calls. Dollar loss for structure fires is up, on a total value loss basis, but any fire can cause a personal loss that cannot be valued in dollars. Vehicle accidents were up, as were the number of other Hazardous Conditions. We had a number of 'False Alarms', showing a need to maintain an alarm system to prevent this. Calls that were 'Cancelled In Route' were for Automatic Mutual Aid to our surrounding towns, which were controlled by the requesting town prior to our arrival.

This year the Fire Department received an initial bequest from the estate of Francis Schroyer. We have used this money to set up a 'Smoke Detector Fund'. This fund will be used to provide smoke detectors to anyone in Washington. Smoke detectors can be requested at the Town Office, and a firefighter will install the detectors at NO CHARGE. Currently we have battery operated detectors, but will order for hardwire systems if there is a request. Properly maintained smoke detectors should last 10 years, and should be replaced when that old or when malfunctioning.

As approved at Town Meeting, the fire department has purchased a new water tanker, on a used chassis. Due to increased costs of suitable used

*Washington Fire Tanker 1 arrives December 17, 2011*

chassis, tank, and other equipment required for the tanker, it appeared that we would be short on funding. Thanks to a sizable donation by the executors of the Francis Schroyer estate, we were able to keep the original specifications and purchase what we needed to serve the Town for the foreseeable future. (Thank You, Nancy and Berkley Linscott.) We have dedicated the Tanker to the memory of Francis.

Again this year, we have kept funding for fire department operations at the same level as last year. With the exception of adding money for Hose Testing two years ago, we have held the same operating budget since 2006. The budget will be strained this year, due to problems with the transmission on Rescue 1. Equipment is getting older, maintenance expenses go up. The 'new' Engine 3 is 8 years old now, and Engine 1 is 30 years old this year.

Active member numbers fluctuate up and down. The number of firefighters available to respond during a weekday is limited, and we could always use more men and women who have an interest in the Fire Service. Members meet at the Fire Station Monday evenings, with regular training on the fourth Monday of the month. If you see us out training, stop and watch if you want!

I am always willing to answer questions, and provide fire safety information. If you don't reach me, please leave a message, either at home or at the station.

The Fire Department members wish to thank all the citizens of Washington for their continued support.

Respectfully submitted,  
TOM JOHNSTON, Fire Chief

## **Emergency Management Agency**

Members of the Board of Selectmen, Town of Washington:

It is my pleasure to submit the annual report on the activities of your Emergency Management Agency program.

We participated with Knox County EMA in a bulk radio purchase to upgrade Fire Department radios in order to meet FCC requirements. In addition to the savings by a group purchase, we also were able to receive some grant funding, saving money for the town.

I have attended a number of classes through the year, obtaining a 'Certified Emergency Manager' certificate from the Department of Homeland Security.

I have been active with the advisory board for Knox Regional Communication Center, spending many hours on the Radio Upgrade Committee, working on the narrowband upgrade project.

Knox County Emergency Management Agency (EMA) has had several activities and programs in progress. In addition to dealing with the Federal Declared Disasters, the Knox County EMA office is updating available municipal equipment lists, and available private equipment lists. These updated lists help the local communities in gathering resources in case of a disaster. Another important tool implemented this past year is a 'reverse 911' system. This system will allow local areas to notify residents of emergencies affecting a limited area. One example might be in case of a Hazardous Material spill on Route 17, we could quickly notify area residents and businesses of the need to evacuate, freeing up resources for other important tasks.

On behalf of the EMA program, I would like to thank the municipal officials and their staff, the county staff for their support and assistance, and all in Washington who support this effort.

Respectfully submitted,  
THOMAS JOHNSTON, Director  
Washington, EMA

## Washington Housing Committee

The Housing Committee did not have any activity in 2011. The Committee participates in the Knox County Regional Micro-Loan program. Its purpose is to enable small businesses to start up, or help existing ones to improve. Interest rates can range from 2% to 4% for a five-year term with a loan of up to \$15,000, or a \$25,000 loan to be matched by \$10,000 in cash from the applicant. Such loans can be used to pay off or refinance existing debt, make renovations, do construction, purchase equipment, and/or use for working capital.

We work in cooperation with the Penquis Community Action Program to locate those in need of home repairs and alert them to the availability of Penquis' grant funds. Interested persons may apply to the Town Office for information and an application.

Respectfully submitted,  
HENRY CHAPMAN, Chairman  
Members:  
HELEN CADDIE-LARCENIA  
CYNTHIA WHITE  
KATHLEEN OCEAN  
BETH CONNOR

## Road Commissioner's Report

To the Citizens of the Town of Washington:

We started out 2011 with a lot of snow and ice followed by spring washouts from heavy rains. Working with Lane Construction, we put new shoulders on the Vanner Road. In addition to ditching roadways throughout the town, the road crew did work that was recommended by the Roads Committee.

After widening the Leigher Road, the remainder of it was paved. Other 2011 paving projects included the sharp curve on the Hopkins Rd. and the curve on the Vanner Road.

Maintenance on town roads consisted of grading the dirt roads, ditching, patching potholes, grading shoulders, and chipping brush. We put calcium on dirt roads for dust control and replaced over 500 ft. of culverts. Winter sand was also put up for the year.

The road crew attended the following classes this year: Defensive Driving for Plowing, Pavement Preservation, Traffic Control and Flagging. I also attended a Road Maintenance Workshop sponsored by Knox County Emergency Management for Knox County Road Commissioners.

The Town purchased a 2001 Sterling Plow truck with plow, wing and all season body late in the fall that has been in service since the beginning of December.

Respectfully,  
FRANK JONES JR.

## Conservation Committee

The Conservation Committee met at the town office early in May to discuss sprucing up the Village Park for the town-wide Bicentennial celebrations that would take place later in the year. We decided to plant a mix of perennials along the edge of the stream and beneath the “Welcome to Washington” sign. In addition, the sign had faded and chipped over the years and needed to be repainted.

We put together a wish list of new inhabitants based on growing habits, hardiness and color that included black eyed susans, coneflowers, daylilies, oriental lilies, and asters. Some of the plants eventually would come from the Gibbs Library Gigantic yard and plant sale that conveniently was about to take place.

At the end of May, the Committee braved the last of the hardy blackflies and planted all of the plants over a couple of days. Earthly Fertilizer donated and delivered bagged compost to keep our plants happy. During the first few dry weeks, Denise regularly checked and watered the new plants to ensure their success. Steve Dean carefully washed, scraped and repainted the sign to get it ready to welcome the anticipated visitors that would come for the Bicentennial celebration. With red, white and blue bunting adorning the sign, it was a colorful introduction to our town. Below is a picture of the sign taken by Lozina Ames and available as postcards at the Washington Village Market.

Respectfully, submitted,  
ANN DEAN  
DENISE HYLTON  
CHARLOTTE HENDERSON  
DAVID HECKMAN

# Damariscotta Lake Watershed Association

## **Land Protection**

Staff and volunteers continued to improve hiking trails in the West Branch Preserve in Jefferson and Somerville and the Davis Stream Preserve in Jefferson in 2011. These trails are open to the public for many uses, including walking, hunting, snowmobiling, cross-country skiing and mountain biking. We encourage residents to take advantage of these beautiful properties. Maps are available at DLWA's lakefront office at 38 Lake Farm Circle in Jefferson and on our website: [www.dlwa.org](http://www.dlwa.org).

DLWA closed on two conservation easements in 2011. One easement protects 93 acres of working forest and agricultural land along Jones Stream in Nobleboro. Jones Stream is one of the major tributaries to Damariscotta Lake, and it provides habitat for a variety of wildlife. The second easement protects 65 acres of working forest land in Jefferson, including significant frontage on remote Deer Meadow Pond and Deer Meadow Brook. Donors of conservation easements give up certain development rights while maintaining ownership of their properties. DLWA currently owns almost 500 acres of undeveloped land and holds conservation easements on another nearly 600 acres.

## **Wonders of Water Program**

Sixth graders in Washington, Nobleboro, and Jefferson had the opportunity to learn about ecology, water quality, animals, invasive plants, pollution, the water cycle, recycling and more thanks to DLWA's education program. Staff and volunteers visited students in their classrooms in 2011 and hosted students at DLWA's annual Water Wonder Day at Wavus Camp in Jefferson.

## **Water Quality Monitoring**

Secchi Disk (water clarity) readings and dissolved oxygen measurements in 2011 were consistent with baseline data gathered annually from 1989 to 2010. Water quality of Damariscotta Lake remains about average when compared to other Maine lakes sampled.

## **Hooked on Fishing**

DLWA, in collaboration with Knox County Bass Masters, Whitefield Lions Club, Lincoln County Fish & Game Club, Damariscotta Lake State Park and Kieve-Wavus Camps hosted its second annual Hooked on Fishing event at Damariscotta Lake State Park in June. Experienced fishermen

took out thirty-nine children for guided fishing trips on the lake. Families enjoyed lunch and activities on shore.

### **Courtesy Boat Inspections**

DLWA staff and volunteers spent 404 hours inspecting 1,631 boats for invasive aquatic plant fragments at the Bunker Hill Road boat launch in Jefferson in 2011. Two fragments of Eurasian Water-Milfoil were found on jet skis and removed before they entered the lake. Twenty-seven volunteers contributed 348 hours to boat inspections. Maine DEP contributed \$4,950 toward the Courtesy Boat Inspection Program.

### **Invasive Aquatic Plant Survey**

Since the beginning of 2010, 100 percent of the shoreline of Damariscotta Lake has been surveyed for invasive aquatic plants! Invasive plants have been found in only two locations – in a small lagoon (Cranberry Cove) on the western shore of Damariscotta Lake just north of the narrows and in Davis Stream in Jefferson. Both infestations are of hydrilla, which is a persistent and dangerous invasive plant. Ongoing monitoring and control efforts are necessary to protect the lake and the property values surrounding it.

With the largest invasive plant patrol team in the state, Damariscotta Lake Watershed Association received the “2011 Invasive plant patrol team of the year” award from the Maine Volunteer Lake Monitoring Program. In 2011, 85 volunteers spent 322 hours helping with the invasive plant survey. These volunteers and DLWA staff surveyed almost 50 percent of the lakeshore. In 2012 the invasive plant prevention committee has set the goal of re-surveying at least one third of the shoreline and shallow areas of the lake. In 2011 the Davis Conservation Foundation awarded DLWA a \$5,000 grant to support this work.

### **Hydrilla Control**

The DEP worked to control the hydrilla infestation in Cranberry Cove with benthic barriers on the bottom of the lagoon to block sunlight from getting to the plants. Though hydrilla was discovered growing under the barriers in late summer, no hydrilla was found outside the cove.

In September 2011, a second hydrilla infestation was discovered in Davis Stream in Jefferson. DLWA and DEP collaborated to gauge the extent of the infestation and remove plants by hand. DLWA staff and volunteers spent several days pulling hydrilla by hand, removing around eight garbage bags of the plant in all. Controlling hydrilla in Davis Stream will be an ongoing challenge, but an important one for the health of the stream and the lake as a whole. Volunteers are always welcome!

## Medomak Valley Land Trust

PO Box 180, 25 Friendship Street, Waldoboro, Maine 04572

Medomak Valley Land Trust has been providing conservation services to Washington and other communities in the Medomak River watershed for more than 20 years. Founded in 1991, MVLT works to promote and preserve the natural, recreational and scenic character and the traditional land uses of the Medomak River watershed for the benefit of the Medomak Valley and Muscongus Bay community. The Medomak River and estuary extend for more than 40 miles, draining portions of 13 towns including Washington. The watershed stretches from the Friendship and Pemaquid peninsulas to the headwaters in Washington and Appleton and encompasses more than 140 square miles.

MVLT has worked with local landowners to protect more than 3,000 acres of farms, fields, woods, ponds, streams and islands. Because of this protection more wildlife habitat is maintained, water sources are kept cleaner, public access to waterways, paths and snowmobile trails continues and our natural environment remains at its scenic best. Almost all of MVLT's Preserves are open to the public for hiking, hunting, fishing, swimming, skiing and snowmobiling.

**WASHINGTON** - In September MVLT met with members of the Washington Lakes Watershed Association to discuss shared conservation priorities. Our common goals include maintaining good water quality, protecting undeveloped shoreline, providing public access opportunities and encouraging good stewardship. We look forward to future partnership efforts with the WLWA.

Throughout the year, the land trust hosts workshops, talks and treks throughout the watershed in order to connect people to the landscape and provide information on its important resources. Residents can support conservation in Washington by becoming a member, volunteering or conserving their own land. For more information about events, volunteer opportunities, conservation options or MVLT's services to landowners, contact the land trust's Waldoboro office at 832-5570 or by email at [mvltd@midcoast.com](mailto:mvltd@midcoast.com), or visit us on the web at [www.medomakvalley.org](http://www.medomakvalley.org).

LIZ PETRUSKA  
Executive Director  
Medomak Valley Land Trust

## Washington Lakes Watershed Association

Washington Lakes Watershed Association saw a number of projects accomplished during 2011. The addition of *watershed* to the name of our organization now appears to be updated in all the necessary places our group is listed - website, memberships, state registry, and so forth. The change makes our mission more clear and underscores that we are (and always have been) concerned with the preservation of all Washington's exceptional lake and streams.

WLWA's website - [www.washingtonlakesassociation.org](http://www.washingtonlakesassociation.org) - re-designed and updated by our board member, George Stone, is fully functional and we invite everyone to check it out and give us feedback. This has been a complex process and we are very grateful for George's generosity, expertise and patience.

This year's Prescott School presentation brought another fine Chewonki Foundation program to students of all grades. *Animal Adaptations* was a talk about the ways animals are adapted to their habitat and why keeping their environments healthy for them is so important. The students participated with enthusiasm and our members who attended also learned a thing or two.

Maine Congress of Lake Associations's (COLA) Annual Conference at Colby College in June was attended by our delegate, Charlotte Henderson. The conference title was "A Delicate Balance" and speakers added enlightenment to that theme. Some of the workshop topics were *The Spirituality of Water*; *Maine Lakes Temperature Dynamics*, and *Regional Collaboration for Invasive Plant Surveys*. One particularly thought-provoking topic was *Economics and the Environment: Do We Really Know the Price of Everything and the Value of Nothing?*, which pointed out the difficulties in evaluating such concepts as "clean water" and "natural beauty" while demonstrating that such impressions are very real and definitely have value.

A mailing was sent to all Washington postal patrons in early summer. It included our newsletter, local contacts information, and our informative brochure designed by member, Roger Cady. This effort attracted new members and spread word of our Annual Meeting. Maggie Shannon, Executive Director of the Maine Congress of Lake Associations, captivated

us as she related her personal interest in lake conservation. Maine COLA is the only statewide network of individuals and lake associations that is solely devoted to protecting water quality of Maine's lakes and promoting good land-use practices. Maggie's humility and earnestness won everyone's heart. Maggie asks that if you are willing to get regular news of statewide efforts to guard our lakes and learn about legislation related to it, just sign up for e-mail notices at COLA's website, [www.mainecola.org](http://www.mainecola.org).

The Bicentennial Activities provided WLWA with a fine opportunity to present our organization to the public, show maps, and offer a variety of information on water quality topics. Members provided beautiful door prizes and raffle items. Bicentennial Day was a great day for the town as well as for WLWA's outreach and that of many others.

Water quality testing in our lakes will take place this coming summer (2012). The testing scheduled for August of 2011 was postponed due to the sharp eye of our limnologist and aquatic biologist, Scott Williams. Scott noticed that Maine D.E.P. had done a baseline sampling shortly before our tests were scheduled and it was deemed safe to postpone our tests. This saved the association and the town (they share the cost) a considerable amount of money. The recent D.E.P. data will be posted sometime this spring. There is a new website for lakes information (replacing *PEARL*) that gives a wealth of information about Maine's lakes: <http://www.lakesofmaine.org>

Many areas in Maine are struggling to clean up invasive plants, toxic runoff, and effects of erosion. Here, we are fortunate (so far) and our focus is on keeping things healthy rather than trying to fix problems. One of the COLA workshops *The Right Plant in the Right Place Helps the Lake*, was about growing the appropriate types of trees and shrubs to maintain good strong shoreline and buffer areas. Sharon Turner, our board president and master gardener, will be offering a workshop again this coming season.

In response to our query about pontoon (or float) planes carrying non-native species from lake to lake, WLWA received assurance from the Maine Seaplane Pilots Association Field Director, Steve Williams, that pilots take the issue of invasives very seriously and continuously educate members on prevention techniques so that materials are not transported on pontoons. WLWA wants to enlist volunteers from both Washington Pond and Crystal Lake to help with volunteer monitoring. Non-native plants and animals can destroy a habitat by crowding out local species. Finding and eliminating them as soon as they are found is an urgent task. If you can spend a little of your boating time watching for these invaders, please call Charlotte at 845-2661 or email [wlwassn@gmail.com](mailto:wlwassn@gmail.com).

WLWA is able to provide maps of our watershed and others, information about water quality, plans for making loon nesting platforms, membership information and more. Just send your request to our email [wlwassn@gmail.com](mailto:wlwassn@gmail.com) or by letter to P.O. Box 373, Washington, ME 04574-0373. Washington Lakes Watershed Association welcomes everyone who is interested in water protection and conservation. Annual membership is \$10.

We're very grateful to our faithful, supportive members and invite all who are interested in maintaining high water quality to join us.

Respectfully submitted,  
CHARLOTTE HENDERSON,  
Secretary

WLWA Board 2011-2012:

David Allen, Roger Cady, Barbara Carney, Marlene Cohn, Leann Diehl, Sue Frank, Charlotte Henderson, Linda Luce, George Stone, Sharon Turner

## Recreation Committee Report

The Recreation Committee continues to work with the community to support youth and adult programs for the citizens of Washington.

### **Baseball/Softball**

Youth baseball continues to be the most popular organized sport in town. Over 50 Washington students were involved, with two t-ball teams, two minor league teams, the Little League team and participants on Union Babe Ruth team. Daniel Jones continued as Little League coach and the team had a very successful season, making it to the finals of the league playoffs. Field improvement continued as sod was rolled out on the field in the spring by a group of volunteers. The field now has a grass infield, like all the other fields in the Knox-Suburban Little League. Field improvements to enhance safety and quality of play will continue. Girls ages 9-12 have the opportunity to play in the Knox-Suburban Softball League. If you are interested please contact Daniel Jones or Steve Ocean.

### **Youth Basketball**

Washington youngsters, girls and boys, continue to have the opportunity to participate in the basketball programs sponsored by the Booster's Club. This year over 30 Washington residents participated. Many of these young players also had the opportunity to play on travel teams. The proposed change to the youth basketball program did not occur, and the program will continue as is.

### **Soccer**

Soccer remains a popular recess activity at Prescott School. The goals purchased through the Recreation Committee several years ago continue to be used when the weather is nice. Washington youngsters from grades 2 through 6 also participated in the Medomak Youth Soccer program based at Medomak Valley High School. Washington youngsters also played in Jefferson in a soccer program sponsored by the Jefferson Sports Association.

### **Lacrosse**

Lacrosse has had a successful beginning in Washington. Around ten girls and boys participated in Lacrosse this spring at Prescott School. To help out, or if you have any questions, please get in touch with Sue Frank.

### **Bicentennial Celebration/Road Race**

The Recreation Committee organized the Washington 5K Challenge that took place on August 6 as part of the Bicentennial celebration, preceding

the parade. A record 47 participants walked or ran in the event. Community organizations provided support with prizes for participants. It was a great kick off event for the celebration.

### **Adult Recreation**

Adult activities continue to thrive in Washington. These programs are self-supporting, no town money goes to run them, but have been promoted by the recreation committee.

This year there has been a yoga class on Monday mornings taught by Linda Shepard. It is currently on hold for the winter. The Tai Chi group continues to meet on Saturdays. New participants are welcome in these programs. Monday night co-ed volleyball at Prescott Memorial School has been continuing. Adult basketball has continued on Thursday nights during the winter as it has for many years. Anyone willing to participate is welcome.

If you have an idea to start a recreational activity contact someone on the committee, we can help get it started.

The Washington Recreation Committee salutes the many volunteers in town who help make things work for children and create opportunities for adults. The Committee continues to seek new members with ideas and energy. We would like to create an open lawn space near the fire pond across from the town office, but need some help getting it going. Get in touch with one of us to find out when we meet.

Respectfully submitted,

## Hill & Gully Riders Snowmobile Club

To the Citizens of Washington:

Our club presently has a membership of 20. We meet on the second Tuesday of the month at the fire dept. If you would like to join us, please feel free to come. The meeting starts at 7:00 p.m. We do need more able bodies to help maintain the trails.

Our activities include trail maintenance, snow packing, and snow grooming as well as picnics and club rides. We have four club Bearcat snowmobiles that haul our packers and groomers.

This year the bridge across Davis Stream south of Rte, 17 was totally replanked. The trail from Rte. 17 north to the discontinued section of the Nelson Ridge Road was also relocated due to a landowner's request. Also the "so called" Moody trail from Nelson Ridge Road to Rte 220 has had major improvements.

Our annual Snowfest & Fishing Derby on Washington Pond was successful this year. The money raised from this helps support our small scholarship to a Washington high school graduate who is continuing on to higher education.

We are volunteer members of the Knox County Emergency Management Agency. This enables us to be utilized by the Fire Dept., EMS and/or any governmental agency should there be an emergency/disaster during the winter.

Our wintertime trails are also open to snowshoers, cross-country skiers and hikers.

To our landowners who support our trails, we cannot thank you enough. Your generosity is appreciated by our club members as well as all who use the trails.

Sincerely,  
JUD BUTTERMAN, President  
Hill & Gully Riders  
Snowmobile Club

## Gibbs Library Report

### Highlights of the Past Year:

January, 2011, the Library made the most of a Martin Luther King, Jr. Day of Service grant from the Maine Commission for Community Service by initiating and hosting a two-day *Gibbs Library/Prescott Memorial Elementary School Bully Prevention Project*. A DVD was made and is available as part of the library's collection and has also been used as a teaching tool for various organizations nationally and internationally by the bully prevention trainer, Maryam Mermey.

For the past three years, the library has offered its space for Native American Solstice and Equinox drum ceremonies. This January 2011, while on his tour of the U.S., Elder Thaayrohyadi an Olmec/Toltec leader from Mexico, visited the Gibbs Library because of the library community's connection to his *8000 Sacred Drums for Peace* mission. More than 30 people attended his lecture which culminated in a cultural exchange of local Maine Passamaquoddy/Micmac Indian and Mexican Otomi/Toltec chants and drumming.

**Building:** Two major physical changes to the library building took place. The Ray Kelly Memorial Garden Patio was created by a team of generous donors, creative stone masons and craftsmen. It is a crowning glory to a work in progress – the garden which is soon to be created.

The Gibbs Board would like to take the opportunity to thank the individuals and businesses that helped to make the patio construction possible:

**Stone work:** Leo Karczewski and his tractor, Joe Marble, Norman Casas, Jessie Casas, Owen Casas, Joey Casas, Zander Casas, Richard Ware, Wendell Ware Jr, and Greg Johnson, Jake Luce for the loan of his equipment; Wesley Daniel and the Town of Washington for the use of a dump truck and many loads of 1" minus fill and foundation stone.

**Businesses:** Sonny Ludwig of Washington for his donation of flat stone for the patio wall construction; J. C. Stone of Jefferson for their donation of all of the cut stone used for the patio floor; Mariner's Paving of Rockport

and Washington for their donation of 3/4" crushed rock and crusher dust for bedding the patio floor stones and John McKeary and Rockport Steel for their donation of the patio railing and the labor and materials to install it. Sweet Seasons Farm and Café for the refreshments for the crew.

The other change was the new library tile carpet that was installed due to the generosity of the Frances Schroyer bequest and the Maine Charity Foundation Fund grant.

**Bicentennial Project:** The Library spearheaded projects for the Town of Washington's 2011 Bicentennial Celebration year. The library joined with the Historical Society & the Bicentennial Committee to produce three projects: two Bicentennial Photo Exhibits at the library; A Bicentennial calendar with historical town photos; and The Bicentennial Book, *Washington People & Places* which has over 100 stories from town citizens & histories of all the town organizations, including photos, collected by library volunteers.

**Literacy Programs:** The Adult Book Discussion Group has been going strong for over 11 years. The Student Book Discussion Group, in its 2<sup>nd</sup> year, attracts students with a winning selection from the Maine Student Book Awards, is moderated by local teachers and is accompanied with delicious homemade meals that are themed with the discussions. The Chickadee Book Awards, Masons Bikes for Books, Tuesday morning Story Time and Music & Movement programs attract young readers to the library. The Monday Morning Writers group meets weekly.

**Fundraising** efforts were very successful this year. The library's annual budget was covered by donations, grants and bequests. The Planned Giving Committee was formed to help set guidelines for library donations. The *Nickels for Paula* project was initiated to help make the Paula Green Art Fund self-sustaining. The nickel donation count takes place annually on Paula's birthday, February 1<sup>st</sup>. Thank you to the many donors whose generosity has helped make 2011 another successful year for the library! Special thanks to:

- Head Librarian Maddy Kelly for building such a great collection for the library.
- Assistant Librarian Liane Chapman for her tireless and thorough management of the library's daily business.
- The desk volunteers who help our patrons and keep the library tidy and in order.
- Vice President Ann Dean for all her work to make this library such a success with setting up eRate phone discounts, thanking all donors, making the library green and efficient, being the welcoming face for the library and the town and for opening the library to patrons during normally closed

hours. She is stepping down this year.

- Treasurer Susan D'Amore for her transparent and innovative accounting of all the library funds and for always paying the bills on time.

- Secretary Joe Marble who has kept accurate library minutes and is stepping down this late winter as secretary. He has helped spearhead the building of the Ray Kelly Memorial Garden Patio among many other building projects.

- Trustee Kathryn Nichols who is stepping down from the Board this year. She has been a desk volunteer, a Tuesday Morning Children's reader and helps moderate the Student Book Discussion Group as well as prepares the meals for this program.

- The Library Board of Trustee members who meet at least once a month and are very active in, and responsive to the workings of this library.

- The over 50 volunteers who help with the Giant Garage sale, join committees, help with library programs, donate books, help with the Annual Appeal and Newsletter and keep the grounds beautiful.

It is a privilege and a pleasure to work with such an enthusiastic and generous community of volunteers.

Respectfully submitted,  
PAULETTE OBOYSKI  
February 7, 2012

### **Washington Library Association Board of Trustees**

**President** Paulette Oboyski

**Vice President** Kathleen Ocean

**Treasurer** Susan D'Amore

**Secretary** Toni Weiner

**Librarian** Madelon Kelly

**Asst. Librarian** Liane Chapman

**Immediate Past President** Cheryl McKeary

**Trustees:** Mary Anderson; Erica Dailey, Teen Trustee; Joan Dean; Leann Diehl; Joan Freiman; Debbie Hill; Alma Jones; Hazel Kopishke; Lindsey Lewis, Teen Trustee; Robert Marks; Joseph Marble; Amy Micklich; Beverly Moody; Susan Richardson; Barbara Sager; Dorothy Sainio; Kaitlyn Theberge, Teen Trustee.

## Trust Under Deed of Madge H. Walker

The Trust Under Deed of Madge H. Walker provides for either free or reduced rate medical care at Waldo County General Hospital in Belfast and MaineGeneral Medical Center in Waterville for residents of the townships of Appleton, Liberty, Montville, Palermo, Searsmont and Washington. Scholarship aid is also provided to residents of the above townships attending the University of Maine.

Enclosed are reports from Waldo County Hospital, the University of Maine and MaineGeneral Medical Center outlining payments made to these institutions from the trust for the fiscal year ended May 31, 2011. Each report itemizes the number of residents served in each of the specified towns.

Best regards,

# Tri County Solid Waste Management Organization

P.O. Box 96, Union, Maine 04862

*Providing solid waste management services for the communities of Union, Appleton, Liberty, Washington, Palermo & Somerville*

Dear Residents,

It has been an honor for me to manage the TCSWMO Transfer and Recycling facility for the past 20 years. During this time, with the continued guidance of a dedicated Board of Directors, TCSW has established itself as both forward thinking and fiscally efficient. Our recycling rate has consistently remained in the mid to high 40's since we opened in '92 and we have more often than not been among the first to recycle difficult items such as computers, televisions, fluorescent lamps, poly-coated papers, 1 and 3-7 plastics. This has been accomplished while at the same time managing a budget over all these years with no shocking peaks and valleys in assessment to the tax base.

In considering the future, however, there are a couple of issues looming. The first is that in 2018, the PERC Incinerator, which accepts our trash (msw) and converts it to electricity, will be at the end of its designed and contracted life. While options are currently under consideration, we can expect that ultimately our disposal cost for household trash will increase. By remaining a member of the Municipal Review Committee, which currently oversees municipal contracts and ownership of PERC, we will insure some continued influence over pricing structure, ownership and selection of the next solution for the following 20 to 30 years. The second issue is that local disposal (Rockland and Rockport) options for construction and demolition debris will be running out over the next 7 to 10 years. While two other landfills exist that can accommodate this waste stream well into the future, they are quite distant from us representing a significant increase in hauling cost. The obvious solution would be to divert and process various components of this waste stream to help minimize what is ultimately hauled to landfill. Fortunately, TCSW has ample area to stage such an effort.

So, just as with anything, expect more change heading our way over the next several years. We will continue to do our best to make it orderly and economical. Remember that we do have a web site now [www.tcsolidwaste.org](http://www.tcsolidwaste.org) and will begin posting information on the site as it develops.

As is always the case, please feel free to address any questions regarding general transfer station operations to myself or to our well seasoned and perhaps overly salted crew; Hank, Russ, Leo and Jeff. Thank you for your time, care and consideration.

Please remember our annual Household Hazardous Waste (HHW) Collection Day on the third weekend of June. Stay tuned for more information as we get closer. Please continue to recycle as it truly saves all of us money, energy, natural resources and more!

Respectfully,  
JIM GUERRA, Facility Manager  
785-2261

## Penquis

Penquis is requesting that the Town of Washington allocate \$2,862.00 at its 2012 meeting to support Penquis' work.

This amount is equal to 1.3% of the services received. Penquis is maintaining this percentage – half of the 2.6% requested historically – for a third year in recognition of the many demands on town and city budgets and the continued impact of the poor economy on our local communities.

During the year ending May 31, 2011, Penquis assisted residents of Washington with services valued at \$220,135.00. A summary of services provided to residents and the value of those services follows.

Sincerely,  
Charles Newton  
Chief Executive Officer

Penquis provides health, human services and other support to low-income people throughout Knox, Penobscot and Piscataquis counties. During the past year, the following services were provided to residents:

<b>SERVICE</b>	<b>NUMBER SERVED</b>	<b>VALUE*</b>
Central Heating Improvement Program	2 Clients	\$ 5,616
Emergency Crisis Intervention Program	6 Households	1,900
Good Neighbor Heating Assistance	2 Households	502
Head Start	1 Child	11,219
Health Services: Family Planning	2 Clients	564
Home Repair	1 Client	22,144
Home Repair & Down Payment		
Assistance Loans	1 Client	8,500
Low-Income Home Energy Assist. Program	97 Households	82,686
PUC Refrigerator Replacement	1 Client	614
Section 8	1 Client	5,958
USDA Food Program	2 Providers	12,408
Weatherization	10 Households	<u>62,311</u>
Total Value:		\$220,135

This year we are requesting: \$2,862

\*Value includes leveraged funds

Municipal support is greatly appreciated, as it provides flexible funds to meet important needs that specific, earmarked Federal and State funding does not allow.

Thank you for your continued interest and support!

## American Red Cross - Pine Tree Chapter

In the year ended June 30, 2011 the Pine Tree Chapter of the American Red Cross, a local agency serving Maine and Mainers for 92 years, provided services with a value of \$1,862.50 to 35 residents of the Town of Washington.

Every Town of Washington resident is eligible to use all Chapter services. In the year ended June 30, 2011, the Chapter provided emergency, disaster, armed forces, and training services to 35 Town of Washington residents as described below

That is why I ask the Town of Washington to make a municipal contribution of \$1,400 to the Pine Tree Chapter of the American Red Cross in calendar year 2012 or the fiscal year 2012-2013. Please place an article requesting those funds (\$1 or less for every Town of Washington resident) – or any amount you consider appropriate – on the municipal warrant for a vote at the next town meeting, or include the gift in the municipal budget.

In the year ended June 30, 2011, the Pine Tree Chapter provided these services to Mainers:

Disaster and Emergency Services – food, clothing, shelter, and emotional support – to nearly 400 people facing an unexpected house fire, flood, or other personal disaster, including no services to Town of Washington residents;

Service to the Armed Forces – helping connect and serve military families in times of family emergencies – to more than 800 soldiers, sailors, airmen, Marines, and Maine National Guard members and their loved ones, including \$212.50 worth of services to 5 people from the Town of Washington;

Health and Safety Education and Training – including First Aid, CPR, Life Saving, Water Safety, and AED – to nearly 10,000 Mainers, including \$1,650 worth of training for 30 people from the Town of Washington;

Preparation Planning and Services to communities, businesses and local agencies – including Washington’s county Emergency Management Agency – preparing for hurricanes, floods, storms, power outages, and other natural and man-made disasters.

The Pine Tree Chapter helps people in 304 Maine communities. Your municipal support in calendar year 2012 or fiscal year 2012-2013 will help

provide critical services to people who live in the Town of Washington. Other communities will support services for neighbors in your county. The Chapter receives no money from the national office of the American Red Cross, from federal, state, or county government, or from the United Way.

The Pine Tree Chapter of the American Red Cross is grateful for the Town of Washington's most recent gift of \$1,400. With a 2012 contribution of \$1,400 – or any amount – the Chapter will continue to provide Town residents with disaster response, armed forces emergency, and safety training services. Thank you for considering this municipal support request for the coming year.

Sincerely,  
MATT RANCOURT  
Executive Director (Interim)

# United States Senate

Washington, DC

January 3, 2012

Dear Friends:

I want to thank you for the opportunity to extend my warm greetings to the people of the Town of Washington, and take just a moment to offer a few thoughts about the past year as we look ahead to the year to come. Indisputably, as we continue to face historic challenges as a nation, as a state, and as individual towns and cities, our economy remains of paramount concern, and justifiably so, as we are still plagued by the worst economic downturn since World War II. Indeed, as countless Mainers have conveyed to me in roundtable discussions and on Main Street tours, the crushing job creation drought that too many have endured for far too long must not become the new normal.

Thankfully, there are steps that Congress and the Administration can take right now to expand our private sector. We can best unleash the genius and innovation that have made our country the most exceptional in human history, I believe, by addressing the following three pro-growth pillars, consisting of a balanced budget amendment, regulatory reform, and tax code overhaul, all of which I have championed in the Senate.

It is long past time that Congress bridge the partisan divide and unite around a pro-growth jobs agenda to pass a balanced budget amendment to the Constitution just as Maine and 48 other states already have, to end the regulatory rampage in Washington, D.C., that has hamstrung our economy, and to overhaul the far-too-complicated, unwieldy tax code. American taxpayers expend 7.6 billion hours and spend \$140 billion – or one percent of GDP – just struggling to comply with tax filing requirements – and that burden must end.

The fundamental question is, what kind of country do we want America to be? Mainers, like all Americans, are rightly frustrated and angry that we have an expansionist government and a record accumulation of debt, and yet they don't see any positive difference in their own lives. I share that frustration and anger. And I hope you will work with me to forge a brighter future worthy of the greatest nation on Earth, bearing in mind as we move forward that economic and homeland security cannot be mutually exclusive. In that light, we remember today – and every day – the extraordinary service

and sacrifice of our brave servicemen and women in Iraq, Afghanistan, and around the world who comprise the finest defense force on the planet.

Please be assured I will continue to work tirelessly on behalf of the people of Maine and America. I encourage you to visit my Senate website at [www.snowe.senate.gov](http://www.snowe.senate.gov) for additional details on how you can join with me in these efforts, obtain helpful government information, and share any concerns or legislative input you may have. You may also visit with members of my staff at my Regional Office located at 40 Western Avenue, Room 412 in Augusta or by calling 622-8292 or toll-free in Maine at 1-800-432-1599.

Sincerely,  
OLYMPIA J. SNOWE  
United States Senator

## United States Senate

Washington, DC

February 3, 2012

Dear Friends,

As we begin a new year, I welcome this opportunity to share some of my recent work for the people of our great state.

The economy and jobs remain my highest priorities. More efficient transportation is essential to our economic growth. After a years-long, hard-fought battle, I successfully pushed through Congress a bill I wrote to allow the heaviest trucks to travel on Maine's federal interstates, instead of forcing them to use our secondary roads and downtown streets. This will make our streets safer, reduce fuel consumption, and allow our businesses to be more competitive. I was pleased to have the support of many Maine groups, from the Maine State Police and the Parent-Teacher Association to the Maine Motor Transport Association and many others that helped me advocate for this sensible change.

I was also successful in my efforts to prevent the federal government from limiting certain vegetables, including Maine's potatoes, in school meal programs. Nationwide this ill-conceived proposal would have cost our schools, the states, and families an estimated \$6.8 billion over five years. I built support from both sides of the aisle and from across the country to ensure that schools maintain the flexibility they need to serve students healthy and affordable meals. This proposed rule was a prime example of

excessive Washington regulation.

In my effort to protect jobs, I also introduced bipartisan legislation to ensure that the proposed EPA regulations known as the “Boiler MACT” rules protect the environment and public health without jeopardizing jobs in our state, particularly in the forest products industry. I also continued to help advance the development of deep water, off-shore wind energy at the University of Maine, which has the potential to provide clean energy and to create thousands of new jobs.

On the Armed Services Committee, I worked to secure funding for shipbuilding at Bath Iron Works, submarine overhauls at Portsmouth Naval Shipyard, and the manufacturing of aircraft engines at Pratt and Whitney, as well as to strengthen the 101st Air Refueling Wing in Bangor and the Maine Military Authority in Limestone. The new defense funding bill also includes my amendment to expedite the claims of veterans with severe disabilities like the soldier I met who is suffering from ALS, also known as Lou Gehrig’s disease.

Last year, the President signed legislation I coauthored creating a national plan for combating Alzheimer’s disease, which affects more than five million Americans and their families. In another health-related development, at my urging, the Food and Drug Administration allowed clinical trials to begin on the artificial pancreas, a device that could dramatically improve the health and quality of life for people with Type I diabetes.

Many Mainers have contacted me to express concern about the Postal Service, which is the linchpin of a nearly \$1 trillion mailing industry that employs 8.6 million people. I’ve sponsored bipartisan legislation to rescue the U.S. Postal Service from financial failure next year. This bill provides flexibility to the USPS to restructure itself in an effort to save billions of dollars and preserve universal postal service for all Americans, no matter where they live.

In December, I cast my 4,825th consecutive vote, making me the longest currently serving Senator never to have missed a vote. I am grateful for the opportunity to serve the Town of Washington and Maine in the United States Senate.

If ever I can be of assistance to you, please contact my Augusta state office at (207) 622-8414, or visit my website at <http://collins.senate.gov>. May 2012 be a good year for your family, your community, and our state.

Sincerely,  
SUSAN M. COLLINS  
United States Senator

## United States House of Representatives

I hope this letter finds you and your family well. It continues to be an honor to represent you, and I wanted to take a moment to share with you some of the work I've done in Washington and Maine over the last year.

As you know, times are not easy. The country still struggles to recover from the recession, which is why I'm so frustrated Congress has not been serious about job creation. Voters elected us to Congress with the highest priority of getting the country back to work. While we should have been voting on jobs legislation, we have ended up debating anything but.

I am proud, however, to have worked on my own piece of jobs legislation in 2011. Local food is a growing part of Maine's economy and has helped revitalized a traditional staple of our communities – the family farm. We have seen incredible increases in CSA farm shares, farmers markets, and acres in cultivation.

But outdated federal policy hasn't done enough to support this bright spot, and often hinders it. I've introduced the Local Farms, Food, and Jobs Act to bring local farmers the resources they need to continue growing. If passed, it means investments in our regional food infrastructure, help for local schools to buy food produced in their communities, and giving more and more people affordable access to local food.

Another piece of legislation I introduced in 2011 would help service members who are victims of military sexual assault. This has become an alarming problem as thousands of women – and men – report being sexually assaulted while serving. I've listened to many of them who are from Maine. My legislation would ease the restrictions they currently face to get disability benefits from the VA.

As a member of the House Armed Services Committee, I've been able to work on several policies that affect our military personnel. It also means that I've kept close watch on our operations overseas. In 2011, we saw some good news on this front. First, we finally found and killed Osama bin Laden. The second came with the official end to the war in Iraq.

I am so glad that the Mainers who have served there will be able to return home. But we can't forget the nearly 4,500 soldiers we lost in Iraq – 24 of them from Maine – nor the men and women who continue to serve in Afghanistan. I hope we can start to bring them home in 2012.

My thoughts now are also with the many Maine families who can't afford to heat their homes. I'm disappointed to see deep cuts in LIHEAP, a program thousands of Mainers rely on. I've introduced legislation to restore the funding and I will keep fighting to get Mainers the support they need.

I wish you and your families the best – it's a privilege to serve you. If there is anything I can do, please don't hesitate to contact me at (207) 774-5019 or [www.pingree.house.gov](http://www.pingree.house.gov).

Hope to see you in Maine soon,

CHELLIE PINGREE  
Member of Congress

---

## State Senator's Report

Dear Residents of Washington,

It is my great pleasure and honor to serve as your State Senator in Augusta during the remainder of this second regular session of the 125th Maine State Legislature.

Maine faces serious challenges. They are challenges I believe we can overcome by working together. Maine needs to do more to encourage job growth and accelerate economic recovery. And we must continue to help our most vulnerable citizens weather these hard times, just as Maine people have always looked out for our neighbors.

While we face many challenges, they are certainly not insurmountable, and we also have many opportunities. I am very confident about Maine's potential if we build on our strengths and make wise economic policy decisions.

As your State Senator, I am here to listen to your legislative needs and concerns, as well as act as a liaison between you and the State government. I can be reached by phone at the State Capital at 287-1515 or by e-mail at [chris@dirigo.net](mailto:chris@dirigo.net).

Please feel free to contact me with your questions or concerns.

Sincerely,  
CHRISTOPHER JOHNSON  
Senator, District 20

# State Representative's Report

January 2012

Dear Friends and Neighbors:

As I return to Augusta for the Second Regular Session of the 125th Legislature, I would like to thank you for the honor of representing our community at the Capitol. With your input, I will continue to proudly represent the interests of House District 52 in Augusta.

The First Regular Session of the Legislature was a true learning experience for me. The Legislature tackled many difficult issues, and I enjoyed hearing your views over the phone, reading your letters and responding to your e-mails. I believe you will be pleased with the accomplishments achieved by the Legislature so far. My colleagues and I were able to pass important legislation with strong bipartisan support. These initiatives included tax reform, a budget passed with near unanimous support, regulatory reform, welfare reform and pension reform that cut in half our state's \$4 billion unfunded pension liability.

During the Second Regular Session, lawmakers will need to make difficult, smart and informed decisions to continue to improve the financial and economic situation of our state. To stay informed as to legislative happenings during the session, I encourage you to visit the Legislature's website at <http://maine.gov/legis/>. There you will have access to bill status information, public hearing dates, roll call votes on legislation and links to live video and audio broadcasts.

Please take note that I will continue to send legislative updates via regular mail and e-mail throughout the year to all who would like to stay informed about current state news and announcements. If you wish to receive these updates, please contact me at [RepDeb.Sanderson@legislature.maine.gov](mailto:RepDeb.Sanderson@legislature.maine.gov) and provide the applicable postal and e-mail addresses to which they should be sent.

I would also like to take the opportunity to thank you for inviting me to share in Washington's bicentennial celebration this year. When speaking to people from your town and after reading *Washington, Maine: Personal Stories by Washington Residents*, it is abundantly clear that the Town of Washington exemplifies the spirit of community. Neighbors helping neighbors, family histories passed down for generations and community

involvement is alive and well and is practiced with great regularity making Washington a wonderful place for her citizens to call home.

As always, I look forward to seeing you around the community at town meetings and events. The responsibility of representing our community is not one I take lightly, so I encourage you to contact me anytime with your opinions, questions or suggestions.

Sincerely,  
DEBORAH J. SANDERSON  
State Representative

***District 52***

plus the unorganized territory of Hibberts Gore*

# Independent Auditor's Report

Board of Selectmen  
Town of Washington

We have audited the accompanying general purpose financial statements of the Town of Washington, as of and for the years ended December 31, 2011 and 2010, which collectively comprise the Town's basic financial statements. These financial statements are the responsibility of the Town of Washington's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Town of Washington as of December 31, 2011 and 2010, and the respective changes in financial position and cash flows, for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on Schedule A-1 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements,

and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Washington's financial statements as a whole. The introductory section, combining and individual nonmajor fund financial statements, and statistical section are presented for purposes of additional analysis and are not a required part of the financial statements. The combining and individual nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole. The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

WILLIAM H. BREWER, C.P.A.

Decrease in Net Assets	(183,677.34)	(220,366.12)
Net Assets, January 1	<u>4,419,543.03</u>	<u>4,639,909.15</u>
Net Assets, December 31	<u>4,235,865.69</u>	<u>4,419,543.03</u>

The accompanying notes are an integral part of the financial statements

## Exhibit C

**TOWN OF WASHINGTON**  
**Reconciliation of Total Governmental Fund Balances**  
**to Net Assets of Governmental Activities**  
**for the years ended December 31, 2011 and 2010**

	<u>2011</u>	<u>2010</u>
GOVERNMENTAL FUND BALANCES:		
Unassigned (Schedule A-3)	585,534.29	548,087.54
Restricted:		
Other (Schedule A-4)	<u>144,246.60</u>	<u>180,076.98</u>
Total Governmental Fund Balances	<u>729,780.89</u>	<u>728,164.52</u>

Amounts reported for governmental activities in the

Statements of Net Assets are different because:

Capital assets used in governmental activities are not

financial resources and therefore are not reported in the funds

3,792,391.00	3,937,634.00
--------------	--------------

Notes payable are not due and payable in the current

period and therefore are not reported in the funds

<u>(286,306.20)</u>	<u>(246,255.49)</u>
---------------------	---------------------

Net Assets of Governmental Activities (Exh. A)	<u>4,235,865.69</u>	<u>4,419,543.03</u>
--	---------------------	---------------------

The accompanying notes are an integral part of the financial statements

**TOWN OF WASHINGTON**  
**Reconciliation of the Statements of Revenues, Expenditures,**  
**and Changes in Fund Balances of Governmental Funds**  
**to the Statements of Activities**  
**for the years ended December 31, 2011 and 2010**

	<u>2011</u>	<u>2010</u>
Net Change in Fund Balances -		
Total Governmental Funds (Exhibit F)	1,616.37	(58,974.02)

Amounts reported for governmental activities in the Statements of Activities are different because:

Governmental funds report capital outlays as expenditures. However, in the Statements of Activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which depreciation exceeds capital outlays.      (145,243.00)      (235,066.00)

Repayment of debt principal is an expenditure in the governmental funds, but the repayment reduces liabilities in the Statements of Net Assets.      71,021.29      73,673.90

Loan Proceeds is recorded as revenue in the governmental funds, but the proceeds increase liabilities in the Statements of Net Assets.      (111,072.00)

Changes in Net Assets of Governmental Activities	<u>(183,677.34)</u>	<u>(220,366.12)</u>
--	---------------------	---------------------

**TOWN OF WASHINGTON**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2011**

**NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

The accounting policies of the Town of Washington conform to generally accepted accounting principles as applicable to governmental units.

**1. Financial Reporting Entity**

The Town of Washington was incorporated in 1811. The Town operates under a town meeting form of government.

In evaluating the Town of Washington as a reporting entity, management has addressed all potential component units. The primary criteria for including a component reporting entity are the exercise of financial accountability by the Town of Washington's municipal officials.

The Town's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America. The Governmental Accounting Standards Board (GASB) is responsible for establishing Generally Accepted Accounting Principles (GAAP) for state and local governments through its pronouncements (Statements and Interpretations). Governments are also required to follow the pronouncements of the Financial Accounting Standards Board (FASB) issued through November 30, 1989 (when applicable) that do not conflict with or contradict GASB pronouncements. The more significant accounting policies established in GAAP are used by the Town as discussed below.

In June 1999, the Governmental Accounting Standards Board (GASB) unanimously approved Statement No. 34, Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments. The Statements include the following:

1.) The financial statements now include:

- A Management's Discussion and Analysis (MD&A) section providing an analysis of the Town's overall financial position and results of operations.
- Financial statements prepared using full accrual accounting for all of the Town's activities, including infrastructure (roads, bridges, etc.).

2.) A change in the fund financial statements to focus on the major funds.

## 2. Basic Financial Statements - Government-Wide Statements

The Town's basic financial statements include both government-wide (reporting the Town as a whole) and fund financial statements (reporting the Town's major funds). Both the government-wide and fund financial statements categorize primary activities as governmental. The Town's fire protection, recreation, public works, and general administrative services are classified as governmental activities.

In the government-wide Statements of Net Assets, the governmental column is presented on a consolidated basis by column, and is reported on a full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. The Town's net assets are reported in three parts - invested in capital assets, net of related debt; restricted net assets; and unassigned net assets. The Town first utilizes restricted resources to finance qualifying activities.

The government-wide Statements of Activities reports both the gross and net cost of each of the Town's functions and business-type activities (fire, public works, administrative, etc.). The functions are also supported by general government revenues (property, certain intergovernmental revenues, fines, permits, and charges, etc.). The Statements of Activities reduces gross expenses (including depreciation) by related program revenues, and operating and capital grants. Program revenues must be directly associated with the function (fire, public works, etc.). Operating grants include operating-specific and discretionary (either operating or capital) grants while the capital grants column reflects capital-specific grants.

The net costs (by function or business-type activity) are normally covered by general revenue (property, intergovernmental revenues, interest income, etc.).

This government-wide focus is more on the sustainability of the Town as an entity and the change in the Town's net assets resulting from the current year's activities.

## 3. Basic Financial Statements - Fund Financial Statements

The financial transactions of the Town are reported in individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets, liabilities, reserves, fund equity, revenues, and expenditures/expenses. The various funds are reported by generic classification within the financial statements.

The following fund types are used by the Town:

### a. Governmental Funds:

The focus of the governmental funds' measurement (in the fund statements) is upon determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than upon net income. The following

is a description of the governmental funds of the Town:

1. General Fund:

General Fund is the general operating fund of the Town. It is used to account for all financial resources except those required to be accounted for in another fund.

2. Fiduciary Funds:

Fiduciary Funds are used to report assets held in a trustee or agency capacity for others and therefore are not available to support Town programs. The reporting focus is on net assets and changes in net assets and is reported using accounting principles similar to proprietary funds.

The emphasis in fund financial statements is on the major funds in either the governmental or business-type activities categories. Nonmajor funds by category are summarized into a single column. GASB No. 34 sets forth minimum criteria (percentage of the assets, liabilities, revenues, or expenditures/expenses of either fund category) for the determination of major funds.

The Town's fiduciary funds are presented in the fiduciary fund financial statements. Since by definition these assets are being held for the benefit of a third party and cannot be used to address activities or obligations of the government, these funds are not incorporated into the government-wide statements.

4. Basis of Accounting

Basis of accounting refers to the point at which revenues or expenditures/expenses are recognized in the accounts and reported in the financial statements. It relates to the timing of the measurements made regardless of the measurement focus applied:

a. Accrual:

Governmental activities in the government-wide financial statements and fiduciary fund financial statements are presented on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

b. Modified Accrual:

The governmental funds financial statements are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e. both measurable and available. "Available" means collectible within the current period or within 60 days after year end. Expenditures are generally recognized under the modified accrual basis of accounting when the related liability is incurred. The exception to this general rule is that principal and interest on general obligation long-term debt, if any, is recognized when due.

5. Financial Statement Amounts

a. Cash and Cash Equivalents:

The Town has defined cash and cash equivalents to include cash on hand, demand deposits, and cash with fiscal agents. Statutes authorize the Treasurer of the Town, as directed by the municipal officers, to invest all municipal funds, including reserve and trust funds, to the extent that the terms of the instrument, order, or article creating the fund do not prohibit the investment in financial institutions as described

in Section 5706 MRSA and securities as described in Sections 5711 through 5717 MRSA.

b. Investments:

Investments, including deferred compensation and pension funds, are stated at fair value (quoted market price or the best available estimate).

c. Capital Assets:

Capital assets purchased or acquired with an original cost of \$1,000.00 or more are reported at historical cost or estimated historical cost. Contributed assets are reported at fair market value as of the date received. Additions, improvements, and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the following estimated useful lives:

Buildings	20-50 Years
Machinery and Equipment	5-10 Years
Improvements	10-20 Years
Infrastructure	10-50 Years

d. Revenues:

Substantially, all governmental fund revenues are accrued. Property taxes are billed and collected within the same period in which the taxes are levied. In applying GASB No. 33 to grant revenues the provider recognizes liabilities and expenses and the recipient recognizes receivables and revenue when the applicable eligibility requirements, including time requirements, are met. Resources transmitted before the eligibility requirements are met are reported as advances by the provider and deferred revenue by the recipient.

e. Expenditures:

Expenditures are recognized when the related fund liability is incurred.

f. Use of Estimates:

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

g. Fund Balance:

In accordance with GASB Statement No. 54, the Town employed new terminology and classifications for fund balance items during the fiscal year ending December 31, 2011.

Non-spendable fund balances include amounts that are not expected to be converted to cash, or that are legally required to be maintained intact. The fund balance of the Town's Cemetery Trust Fund is classified as non-spendable.

Restricted fund balances are amounts that can be used only for specific purposes because of legislation or restrictions imposed by donors. The fund balances of the Agency Funds are classified as restricted.

Committed fund balances are amounts that can be used only for specific purposes because of a formal action taken by town government. Budget carryforward amounts (other than the school budget) and the fund balances in the Cemetery Trust Fund are in this category.

Unassigned fund balance are all amounts in the General Fund that are not assigned to another category. Only the General Fund can have an unassigned fund balance.

NOTE B - CASH:

Cash

The Town’s cash is categorized to give an indication of the level of risk assumed by the Town at year end. These Categories are defined as follows:

Category #1 - Insured or collateralized with securities held by the Town or by its agent in the Town’s name.

Category #2 - Collateralized with securities held by the pledging financial institution’s trust department or agent in the Town’s name.

Category #3 - Uncollateralized (This includes any bank balance that is collateralized with securities held by the pledging financial institution, or by its trust department or agent but not in the Town’s name.)

ACCOUNT TYPE	CARRYING AMOUNT	BANK BALANCE	CATEGORY		
			#1	#2	#3
Interest Bearing					
Accounts	\$654,262.74	\$662,069.51	\$100,000.00	\$562,069.51	\$ –

NOTE C - INTERFUND RECEIVABLES AND PAYABLES:

Due to and due from other funds consist of the following:

Due From Agency	\$2,000.00
Due From Trust Funds	501.47
	<u>\$2,501.47</u>

NOTE D - GENERAL LONG-TERM DEBT:

The following is a summary of note and lease transactions of the Town of Washington for the year ended December 31, 2011:

	BALANCE			BALANCE 12/31/11
	1/1/11	ADDITIONS	REDUCTIONS	
Camden National Bank - Fire Truck	\$17,309.86	\$ –	\$17,309.86	\$ –
Camden National Bank - Public Works Truck	9,000.00		9,000.00	
Camden National Bank - Municipal Garage	144,733.34		11,133.33	133,600.01
Koch Financial - 2008 GMC Truck	61,102.42		19,468.23	41,634.19
Komatsu Financial - Loader	14,109.87		14,109.87	
Machias Savings Bank - Fire Truck		90,000.00		90,000.00
Machias Savings Bank - Public Works Truck		21,072.00		21,072.00
	<u>\$246,255.49</u>	<u>\$111,072.00</u>	<u>\$71,021.29</u>	<u>\$286,306.20</u>

Long-Term Debt as of December 31, 2011 is as follows:

General Fund:

Camden National Bank - Municipal Garage:

The note dated July 21, 2008 is for \$167,000.00 payable over fifteen years with annual principal payments of

\$11,133.33. The interest rate is 3.89%. \$133,600.01

Koch Financial - 2008 GMC Truck:

The lease dated May 30, 2008 is for \$97,534.00 payable over five years with annual principal and interest payments of \$22,248.39. The interest rate is 4.55% 41,634.19

Machias Savings Bank - Fire Truck:

The note dated June 16, 2011 is for \$80,000.00 payable over five years with annual principal payments of \$18,000.00. The interest rate is 2.99%. 90,000.00

Machias Savings Bank - Public Works Truck:

The note dated November 22, 2011 is for \$21,072.00 payable over three years with annual principal and interest payments of \$7,398.05. The interest rate is 2.6%. \$21,072.00  
\$286,306.20

The annual requirements to amortize notes and leases payable as of December 31, 2011 follows:

YEAR ENDING	PRINCIPAL	INTEREST	TOTAL
DECEMBER 31			
2012	\$56,328.42	\$10,817.34	\$67,145.76
2013	57,436.39	8,723.13	66,159.52
2014	36,341.37	6,590.99	42,932.36
2015	29,133.33	5,422.22	34,555.55
2016	29,133.33	4,444.95	33,578.28
2017-2021	55,666.65	12,992.60	68,659.25
2022-2024	22,266.71	2,598.48	24,865.19
	<u>\$286,306.20</u>	<u>\$51,589.71</u>	<u>\$337,895.91</u>

NOTE E - GENERAL FUND BUDGET:

The Town operates on a net budget as compared with a gross budget. All revenues are not estimated, but are credited to the particular operating account. Certain revenues are dedicated for particular purposes by vote of the townspeople at the annual town meeting or at special town meetings.

At the annual town meeting, held in March of each year, the townspeople vote on various articles on which amounts for appropriations have been recommended by the Board of Selectmen and/or the Budget Committee.

NOTE F - FUND BALANCE DESIGNATED FOR SUBSEQUENT YEARS' EXPENDITURE:

Historically, the townspeople vote to carry certain departmental unexpended balances forward to the following year for expenditure. This is usually in lieu of additional appropriations in any particular account.

General Government	\$246.74
Public Works	140,017.60
Unclassified	3,982.26
	<u>\$144,246.60</u>

## NOTE G - DEFERRED REVENUE:

Deferred Revenue consists of the following:

Prepaid 2012 Taxes	\$719.58
Suspense	<u>7,427.92</u>
	<u>\$8,147.50</u>

## NOTE H - EXPENDITURES IN EXCESS OF APPROPRIATIONS:

During the year expenditures exceeded total revenue and appropriations in the following general fund categories:

FUNCTION	REVENUE AND APPROPRIATION	EXPENDITURES AND OTHER CHARGES	VARIANCE
State BETE	\$35,730.00	\$40,829.74	\$(5,099.74)
Abatements	\$ -	\$8,055.48	\$(8,055.48)
General Roads	\$219,517.75	\$224,945.38	\$(5,427.63)
Flags for Veterans Graves	\$400.00	\$468.60	\$(68.60)

Abatements are funded through overlay. The overdraft in other accounts was due to revenues not meeting budgeted expectations.

## NOTE I - REVENUE RECOGNITION - PROPERTY TAXES:

The Town's property tax for the current year was levied July 6, 2011 on the assessed value listed as of April 1, 2011 for all taxable real and personal property located in the town. Taxes were due on October 4, 2011 with interest at 7% per annum or part thereof commencing October 5, 2011. Liens are filed on any real property where taxes remain unpaid between eight and twelve months after the levy date.

The National Council on Governmental Accounting (N.C.G.A.) Interpretation No. 3 requires that property tax revenue be recognized only to the extent it will be collected within 60 days following the year end. The deferred tax revenue shown on the balance sheet represents property taxes not expected to be collected within 60 days after the year end.

Property taxes are recognized when they become available. Available includes those taxes expected to be collected within 60 days after year end as stated above. Delinquent taxes are considered fully collectible and therefore no allowance for uncollectible taxes is provided.

## NOTE J - INTEREST COST INCURRED:

During the current year, the Town incurred interest costs totaling \$11,448.39 which was charged as an expense to various operating accounts.

## NOTE K - RISK MANAGEMENT:

The Town is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. All significant losses are covered by commercial insurance. There has

been no significant reduction in insurance coverage. Settlement amounts have not exceeded insurance coverage for the current year or the three prior years.

**NOTE L - PROPERTY, PLANT, AND EQUIPMENT:**

The following is a summary of changes in fixed assets at December 31, 2011:

	BALANCE			BALANCE
	JAN. 1, 2011	ADDITIONS	DISPOSALS	DEC. 31, 2011
Land and Improvements	\$20,600.00	\$ -	\$ -	\$20,600.00
Buildings	743,850.00	2,055.00		745,905.00
Equipment	142,074.00	6,550.00		148,624.00
Motor Vehicles	453,327.00	145,720.00		599,047.00
Infrastructure	11,865,010.00	76,650.00		11,941,660.00
	<u>\$13,224,861.00</u>	<u>\$230,975.00</u>	<u>\$ -</u>	<u>\$13,455,836.00</u>
Accumulated Depreciation	(9,287,227.00)	(376,218.00)		(9,663,445.00)
Net Property, Plant, and Equipment	<u>\$3,937,634.00</u>	<u>\$(145,243.00)</u>	<u>\$ -</u>	<u>\$3,792,391.00</u>

Depreciation expense for the period totaled \$376,218.00. Of that amount \$6,557.00 was for General Government, \$337,567.00 was for Public Works, and \$32,094.00 was for Public Safety.

**NOTE M - OVERLAPPING DEBT:**

The Town of Washington is a participant in MSAD #40 and is subject to annual assessment of its proportional share of school expenses. Long-term debt outstanding in MSAD #40 for which the Town of Washington would be proportionally responsible in the event the school defaulted is approximately \$13,352,181.00 at June 30, 2011. The Town of Washington's share would be 9.863% of the debt or \$1,316,925.61.

The Town of Washington is situated in Knox County and is therefore subject to annual assessment of its proportional share of county taxes. There is no long-term debt outstanding in Knox County for which the Town of Washington would be proportionally responsible in the event the county defaulted.

**NOTE N - SUBSEQUENT EVENTS:**

Management has made an evaluation of subsequent events to and including the audit report date, which was the date the financial statements were available to be issued, and determined that any subsequent events that would require recognition or disclosure have been considered in the preparation of the financial statements.

Schedule A-1

**TOWN OF WASHINGTON**

# Warrant for 2012 Annual Town Meeting

TO: Judson Butterman, Constable, Town of Washington.

## GREETINGS

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Washington, Knox County, Maine, qualified by law to vote in town affairs, to meet at the Bryant Community Room of the Gibbs Library, 40 Old Union Road, Washington, on Friday, March 30, 2012, at 8:00 a.m., then and there to act on Article 1 and by secret ballot on Article 2 through Article 8, as set out below, the polling hours therefore to be from 8:00 a.m. until 8:00 p.m.;

And to notify and warn said voters to meet at the Prescott Memorial School, 100 Waldoboro Road, Washington, on Saturday, March 31, 2012, at 10:00 a.m., then and there to act on Articles 9 through 40 as set out below, to wit:

- Article 1: To choose a moderator by written ballot to preside at said meeting.
- Article 2: To elect all necessary town officers and school board members as are required to be elected.
- Article 3: Shall an Ordinance entitled "TOWN OF WASHINGTON, MAINE, PROPERTY ASSESSED CLEAN ENERGY (PACE) ORDINANCE" be adopted.

*Note: Adoption of this Ordinance will allow Washington residents to apply for low interest loans for winterization of their homes and is administered by "Efficiency Maine".*

- Article 4: Shall an Ordinance entitled "TOWN OF WASHINGTON, MAINE, EMERGENCY MANAGEMENT ORDINANCE" be adopted.

*Note: Adoption of this Ordinance will allow the Town to qualify for Emergency Management grants and gives better authority for local control during emergencies and disasters.*

- Article 5: Shall the “TOWN OF WASHINGTON, MAINE, PLANNING BOARD ORDINANCE” paragraph 3 E be amended to delete the following sentence:

The board shall meet at least eight times within one calendar year.

*Note: This amendment is requested by the Planning Board and eliminates the requirement to meet at least eight times a year even if there is no business to come before the Planning Board.*

- Article 6: Shall the “TOWN OF WASHINGTON, MAINE, MINING ORDINANCE” be amended to delete all numerical references to set fees in the Ordinance and to replace those references with the following:

“A fee or fees in accordance with a fee schedule determined by the Board of Selectmen.”

*Note: This amendment is recommended by the Selectmen and eliminates the requirement to amend the Ordinance whenever a fee change is recommended.*

- Article 7: Shall the “TOWN OF WASHINGTON, MAINE, MOBILE HOME PARK ORDINANCE” be amended to delete all numerical references to set fees in the Ordinance and replace those references with the following:

“A fee or fees in accordance with a fee schedule determined by the Board of Selectmen.”

*Note: This amendment is recommended by the Selectmen and eliminates the requirement to amend the Ordinance whenever a fee change is recommended.*

- Article 8: Shall the “Town of Washington Trailer or Mobile Home Ordinance” enacted 20 March 1971 be repealed.

*Note: This Article is recommended by the Selectmen and repeals a 1971 one-line Ordinance which is unenforceable.*

Article 9: To elect seven citizens of the Town of Washington to serve on the Budget Committee.

Article 10: To see if the Town will vote to authorize the Selectmen to appoint all necessary town officials.

Article 11: To see if the Town will vote to authorize that the Plumbing Inspector be paid from fees collected from plumbing permits; the E911 Coordinator be paid from E911 applications; and the Driveway Entrance Coordinator be paid from driveway entrance applications.

Article 12: To see if the Town will vote to pay up to the State wages pay rate for compensation of personnel and labor costs, and to allow the selectmen to negotiate the rate per hour cost for equipment used in maintaining public roads for the ensuing year.

Article 13: To see if the Town will vote to authorize the Municipal Officers to spend an amount not to exceed 3/12 of the budgeted amount in each budgeted category of the 2012 annual budget during the period from January 1, 2013, to the date of the 2013 Annual Town Meeting.

*Explanation: This article legalizes municipal expenditures made after the fiscal year ends, but before the next Annual Town Meeting.*

Article 14: To see if the Town will fix a date when taxes will be due and payable, and fix a rate of interest to be charged on unpaid taxes after said date.

*(Selectmen and Tax Collector recommend 2012 taxes will be due and payable on October 1st) (Maximum allowed by State Law: 7.0%)*

Article 15: To see if the Town will vote to set the interest rate to be paid by the Town on abated taxes at 8%.

*Explanation: If taxes are paid and later abated, the Town must*

*continued next page*

*refund the abated taxes and pay interest on them. 36 MRSA, Sub. Sect. 506A calls for interest of 12% on abated taxes if the Town fails to set a rate. The rate set by the Town cannot be less than 8%.*

- Article 16: To see if the Town will vote to authorize the Municipal Officers to make a determination regarding the closing or opening of roads to winter maintenance pursuant to 23 MRSA Section 2953.
- Article 17: To see if the Town will vote to authorize the Selectmen to sell and dispose of property acquired by tax liens, other liens or other processes, and to issue quitclaim deeds for same. Before going to public auction, Selectmen are authorized to offer the sale of the property to the former owner and to negotiate the sale to the former owner at a price that the Selectmen deem most advantageous to the Town. If offer is not accepted in 60 days, the Selectmen may begin the auctioning process. All net proceeds from any auction shall be placed in the Town's Road Reserve account.
- Article 18: To see if the Town will authorize the Selectmen to appropriate money from the sale of any Town acquired lands to pay the costs of said sale.
- Article 19: To see if the Town will vote to authorize the Selectmen to dispose of town-owned items with a value of \$1,000.00 or less under such terms and conditions as they deem advisable.
- Article 20: To see if the Town will vote to authorize the municipal officers to sign quitclaim property deeds to property that the Town does not claim as tax acquired property, but on which there are old undischarged liens which have been paid but not discharged. The purpose of said quitclaim deeds would be for clearing of title only.
- Article 21: To see if the Town will vote to appropriate the 2011 Snowmobile Refund to the Washington Hill & Gully Riders for the sole purpose of maintaining their snowmobile trails, to be open

*continued next page*

to the use of the public from November 15 until April 1, and to authorize the municipal officers to enter into an agreement with the club, under such terms and conditions as the municipal officers may deem advisable, for that purpose, or see what action the Town will take.

*Explanation: The snowmobile registration money must be appropriated annually by the Town for whatever purpose it desires. If all or part of it is appropriated to the snowmobile club, one of the conditions of that appropriation must be that the club's trails are open to public use. Otherwise, it would be an illegal appropriation of public funds for a private group.*

Article 22: To see if the Town will authorize the Tax Collector to accept prepayment of taxes for the years 2012 and 2013 for taxes not yet due or assessed.

Article 23: To see if the Town will vote to authorize the Tax Collector to offer a Tax Club Payment Plan and to waive interest on taxes for those accounts that are kept current.

Article 24: To see if the Town will vote to spend any grant money received, not to exceed the amount of the grant, for the stated purposes of the grant only.

Article 25: To see if the Town will vote to authorize the Selectmen to establish a long term \$250,000 municipal line-of-credit with Machias Savings Bank in lieu of a Tax Anticipation Note.

Article 26: To see if the Town will vote to appropriate the following General Fund revenues to be applied toward the 2012 property tax commitment, thereby decreasing the 2012 tax commitment by \$359,400.00.

*Selectmen and Budget Committee recommend:*

Excise Tax Revenue	200,000.00
State Revenue Sharing	65,000.00
Tree Growth Reimbursement	3,500.00

*continued next page*

Building and Plumbing Permits	2,000.00
Interest on Overdue Taxes	18,000.00
